TERM:

The term of each agreement will commence on July 1, 2011 and end on June 30, 2012.

SCOPE OF SERVICES/DELIVERABLES:

Oracle will provide the District with the services of knowledgeable professional consulting resources on an as needed basis to support CCC in the completion of activities such as, but not limited to, the following:

BENEFIT TO CITY COLLEGES OF CHICAGO:

This solution will enable the District to implement PeopleSoft-related initiatives at a total cost less than the FY11 allocation (\$1,386,448.12) for a substantial cost savings to the District.

VENDOR SELECTION CRITERIA:

Pursuant to State law, purchases and contracts for the use, purchase, delivery, movement or installation software and services are exempt from the District’s competitive bidding requirements.

MBE/WBE COMPLIANCE:

The Office of M/WBE Contract Compliance has reviewed the above referenced software support and maintenance services agreements, and as there are no certified MBE or WBE vendors who can directly provide the software updates and maintenance services needed to run the District’s PeopleSoft applications, Oracle works with certified MBE and WBE firms as part of its commitment to diversity utilization (firms are detailed and on file) through indirect participation and therefore, is in compliance with the Board Approved Participation Plan.
