APPROVED - BOARD OF TRUSTEES COMMUNITY
COLLEGE DISTRICT NO. 508
FEBRUARY 11, 2011

Good morning Chairman, Chancellor, Trustees

Spring faculty returned to work on Monday, January 10, 2011. Registration is currently in process. Our office is working diligently to ensure that full-time courses are covered and that student support services are available on day 1. Classes begin January 18, 2011, Chancellor Hyman stated that 10 new advisors and 120 new tutors will be in place on the first day of classes. AVC's Mike Davis, Cynthia Armster, Lizzette Richardson in credit, workforce, & AE courses have worked to develop a training session based on the goals and efforts of reinvention and student success which will take place on January 13-14, 2011.

In addition, on Thursday, January 13, 2011 we will have a shift & share meeting among the colleges to share faculty resources in order to cover classes. This continues to promote the concept of oneness among our colleges.

A new Executive Director of Nursing, Dr. Debra Gurney joined the Academic Affairs team.

Also, I am pleased to be able to serve as a co-advisor for the program portfolio and remediation committee with President Jose Aybar, President Ghingo Brooks, and Vice Chancellor Mike Daigler.

I will be working with Vice Chancellor Alvin Bisarya to ensure that all faculty stakeholder groups are involved as we communicate our reinvention efforts.

That concludes my report.
