THE CHANCELLOR

REPORTS that the following Business Associate Agreement, Training Agreement, and MOU's have been approved in accordance with District purchasing and contracting policies and pursuant to legal review:

CAMPUS/DEPT	TYPE OF AGMT	PROVIDER	TERM
DA	UPS CACH (Chicago Area Consolidation Hub) MOU	UPS has compiled a list of classes offered at Daley that can be taken by potential mechanic applicants to fill openings at UPS for Plant Engineering Mechanics positions. Potential trainees are required to take classes and participate in monthly training seminars facilitated by the UPS CACH and to take supplemental classes at the College. The terms of the agreement articulate the partnership between UPS and the College regarding the classes offered at the College and their relation to this program.	8/10/12-12/30/13
	American Healthways, LLC	The Company will have access to employees' protected medical records, and consequently, under the HITECH ACT (Health Information and Technology for Economic and Clinical Health ACT) it is necessary for parties to enter into a Business Associate Agreement. The agreement outlines the respective rights and obligations of the parties	No term

DO	Business Associate Agreement	as it relates to protected health records.	
DO	Illinois Network of Child Care Resource and Referral Agencies ("INCCRRA") MOU	The Illinois Department of Human Services funds the Gateways to Opportunity Scholarship Program (GOSP), which is administered through a contract with the INCCRRA. Through this arrangement, the INCCRRA provides tuition payments for a maximum of 15 credit hours per year for three terms for approved scholarship recipients. The MOU reflects a change in invoicing of the GOSP. Effective 7/1/12 CCC will separately identify all MAP and Pell Grants applied to GOSP recipients on any invoices submitted to INCCRRA.	7/1/12-6/30/13
OH	MPRI (A division of L-3 Services, Inc.) Assignment Agreement	Pursuant to Board Report #30033, adopted February 2010, the College was given approval to purchase a truck driver training simulator for the Truck Driver Training Program from MPRI, Inc. During 2011, L-3 Communications announced a plan to consolidate certain simulation and training work with D.P. Associates. The College's program was included in the consolidation. The successor corporate entity, L-3 DPA, will assume the responsibilities, duties and obligations associated with the original agreement and requested that the College consent to assign the agreement to the successor corporate entity.	1/1/12-6/30/14

MX	Casa Central Training	The College will provide the instructors, curriculum, instructional and testing materials. The Company will provide the classroom, office and mock laboratory space. The Company will also provide the fees and tuition for each student at the current rate and pay all fees associated with the background check	8/1/12-7/31/14
