<sup>1</sup> Administrative Services (AS) advises they inherited this contract from OIT. While they were investigating the value of the services, the company continued to receive requests from OIT Directors requesting service on their cooling units as they had customarily done in the past. The company assumed we had re-signed. AS said they are trying to pay Therm Flo for the work performed as they did provide a benefit.

OH		promote and highlight educational or water conservation green initiative activities and programs consistent with MWRD's goal and mission of "Improving Our Environment."		
OH	Perkin-Elmer, LLC Professional	Company will repair and provide replacement parts and labor for the College's FTIR Spectrum I instrument. The instrument is used in the Organic Chemistry course in seeking functional graphs.	\$3,818.00	5/28/12-6/30/12
