A summary of the Agreements is attached hereto.

SCOPE OF SERVICES

Limelight Networks

The Company will provide encoding, event planning/kickoff call, testing, and event support for the Colleges May 12, 2012 Commencement ceremony at the UIC Pavilion.

SCOPE OF SERVICES

Satellite Technology Systems, Inc.

The Company will provide a satellite truck in order to upload the live 2012 commencement ceremony on May 12, 2012 at UIC Pavilion. This satellite truck will provide the signal to the live streaming host (Limelight).

Additionally, to execute this service, Company will provide an uplink and a truck operator on the day of the event. This uplink satellite signal will allow Limelight (the live streaming host) access to the live ceremony feed. Company will also provide a RFI report and 1 day of HD encoding. The truck will be available for 5 hours from 1-6 pm with an 18 MHZ digital band satellite. This service also includes a backup generator in case of loss of power.

SCOPE OF SERVICES

PSI Media

PSI will host the web streaming for WKKC's programming as well as host the radio station's website. Per the agreement, PSI will cap the bandwidth usage at 600 GB per month in order to avoid overages.
