

**31462**

**ADOPTED – BOARD OF TRUSTEES COMMUNITY COLLEGE  
DISTRICT NO. 508  
JUNE 7, 2012**

**BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508  
COUNTY OF COOK AND STATE OF ILLINOIS**

**RESOLUTION**

**APPLICATION FOR NEW PROGRAM  
DALEY COLLEGE  
QUALITY ASSURANCE  
BASIC CERTIFICATE (B.C.)**

**WHEREAS**, new educational programs require approval of the Board of Trustees of Community College District No. 508, the Illinois Community College Board (ICCB);

**WHEREAS**, an application for approval of a *new* program, *Quality Assurance, B.C., at Daley College*, has been received and has been appropriately reviewed for submission; and

**WHEREAS**, this certificate may be obtained in two semester providing the completer with a strong skill set in metrology qualifying completers to work as entry-level Quality technicians or machinist-trainees. As part of the “Print Requirements and Quality Assurance” course, students would earn an industry credential, the Quality Practices and Measurement module of the Manufacturing Skills Standards Council (MSSC). The college basic certificate and the MSSC credential would help students get hired and would increase their starting salary. In addition, the “Advanced Metrology” course would prepare students for the Certified Quality Inspector (CQI) exam of the American Society for Quality (ASQ). This credential requires two years of work experience so only students with such experience can take the CQI exam;

**NOW, THEREFORE, BE IT RESOLVED**, that the Board of Trustees of Community College District No. 508, County of Cook and State of Illinois, hereby approves the submission of this program for permanent approval by the Illinois Community College Board.
