BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
COUNTY OF COOK AND STATE OF ILLINOIS

PUBLIC SAFETY COMMUNICATIONS SYSTEM UPGRADE
MOTOROLA SOLUTIONS, INC.
(JOINT PURCHASING AGREEMENT)
(AMENDMENT TO BOARD REPORT 31943 ADOPTED ON JULY 11, 2013)
OFFICE OF SAFETY AND SECURITY
DISTRICT-WIDE

THE CHANCELLOR RECOMMENDS:

that the Board of Trustees authorizes the Chair to amend the agreement with Motorola Solutions Inc., to procure the appropriate radios for use with the new radio communications system approved pursuant to Board Report 31493 on July 11, 2013. The radio units will be purchased from Motorola, but through a joint purchasing agreement with Northwest Central 911 System for the period from August 23, 2013 through June 28, 2014. There is no additional cost to the District associated with this amendment.

VENDOR: Motorola Solutions, Inc.
224 South Michigan Avenue (7th Floor)
Chicago, Illinois 60604

USER: District Wide Security, Facilities & Custodial

TERM:

The term of the agreement will begin on August 23, 2013 and end on or about June 28, 2014.

SCOPE OF WORK:

Motorola Solutions Inc., will provide CCC with a new radio communications system that will enhance the safety and security of CCC students, staff and guests. Additionally, Motorola Solutions Inc., will provide the Office of Safety and Security access to the Cook County Sheriff Department's county wide StarCom network to enable direct access to public safety partners and communications with first responders (Chicago Police, Chicago Fire Department) in the event of an emergency. Motorola Solutions Inc. will build the new radio communications network to operate within newly licensed 800 MHZ channels by providing new equipment, infrastructure and utilizing existing fiber optic network components. The radio communications system will improve communications District wide as well as improve in-building radio coverage and communications. The radio

communications system will also include single operator dispatch consoles at each campus and District Office along with 369 handheld radios.

The amendment is necessary to reflect that CCC will purchase the handheld radios compatible with the new radio communications system through a contract with Motorola Solutions, Inc. procured by Northwest Central 911 System. Pursuant to Board Report 31943, adopted on August 1, 2013, the total cost of the new radio communications system is not to exceed \$3,700,000. Of this amount, \$700,000 will be used to procure the handheld radios compatible with the system.

BENEFIT TO CITY COLLEGES OF CHICAGO:

Upgrading the radio communication system will provide CCC security and maintenance personnel with a communications system that increases the safety of its faculty, staff and students throughout many of CCC's facilities. This communication system meets the highest levels of interoperability as defined by the Department of Homeland Security.

VENDOR SELECTION CRITERIA:

The contract with Motorola Solutions, Inc. to provide the District with a new radio communications network is being utilized as part of a joint purchasing agreement and awarded in accordance with the procurement procedures of the State of Illinois, contract #CMS3618850 dated June 26, 2012, for STARCOM21 Master Contract. Pursuant to State law, contracts for goods and services procured from another governmental entity are exempt from the District's competitive bidding requirements.

The contract with Motorola Solutions, Inc. to provide the District with the appropriate handheld radios for use with the new radio communications network is being utilized as part of a joint purchasing agreement and awarded in accordance with the state procurement procedures, contract #10-17184/LF/CMB.
