USER: District-Wide

TERM:

The term commences on July 1, 2013 and will end on June 30, 2015.

SCOPE OF SERVICES:

All City Colleges of Chicago (CCC) Libraries and Learning Resource Centers are expected to provide information and research resources that support the curriculum. It is necessary for all CCC Libraries, Learning Resource Centers and other academic programs to continue providing students with these resources. Of particular value is the vendors' suite of services that include online databases and

publishing imprints, which provides both broad support of our general education, career program, and health science curricula as well as specialized resources for our programs like adult education.

BENEFIT TO CITY COLLEGES OF CHICAGO:

Online database publishing services and learning resources provide CCC students with access to academic databases necessary to further augment, enhance and complete their studies. Additional usage of electronic resources is anticipated for FY13 due to expansion of programs and centralization of electronic resource offerings, however, overall, there is a 58% savings compared to FY13 expenditures because some vendor's services are not highly utilized and some database products will be acquired through the District's consortium memberships.

VENDOR SELECTION CRITERIA:

The print and electronic collection services, discounts and other professional development resources are only available through the sole source approved vendors. Pursuant to state law, goods that are economically procurable from only one source are exempt from the District's competitive bidding requirements.

MBE/WBE COMPLIANCE:

The Office of M/WBE Contract Compliance has reviewed the above referenced purchase request and recommends a waiver of the Board Approved Participation Plan because software is being purchased from sole sources.

GENERAL CONDITIONS:

Inspector General- It shall be the duty of each party to the agreement to cooperate with the Inspector General for City Colleges of Chicago in any investigation conducted pursuant to the Inspector General's authority under Article 2, Section 2.7.4(b) of the Board Bylaws.

Ethics – It shall be the duty of each party to the agreement to comply with the applicable provisions of the Board's Ethics Policy adopted January 7, 1993, and as amended by the Board.

Contingent Liability – Pursuant to Section 7-14 of the Illinois Public Community College Act, all agreements authorized herein shall contain a clause that any expenditure beyond the current fiscal year is subject to appropriation in the subsequent fiscal year.
