College/District Olive-Harvey	Accountability George Brown, Associate Dean	Pd # 1305020	
Alignment			
Increase the number of students earning college credentials of economic value.			
Summary			
Funds would be used to develop an educational program at the associates degree or training certificate level in Supply Chain Management, and to help with the development of a working "Central Store and Distribution			

Grant Name Science Education for New Civic Engagement and Responsibilities (SENCER) Informal Science Education Initiative (ISE)	Funder National Center for Science and Civic Engagement through the Civic Engagement Partnership Support Awards Program	Amount \$50,000 over a three year period	Performance Period 7/1/2013-6/30/2016
College/District Harold Washington	Accountability Farahnaz Movahedzadeh, Assistant Professor	Pd # 1305021	
Alignment			
Increase the number of students earning college credentials of economic value; Increase the rate of transfer to bachelor's degree programs following CCC graduation; Strategically align community and special interest programming with community needs.			
Summary			
Harold Washington College would partner with Urban Gateways on a three year project with a \$50,000 budget to support the program entitled, "Transforming Education: A Collaboration Between Science & Art to Address HIV/AIDS Education." The overall goal is to bring science and art education together in an innovative program (using learning communities and workshops) to address the issue of HIV/AIDS with high school and 40 CCC students.			

Center" for the CCC system.

Grant Name Nursing Workforce Diversity Project (NWD)	Funder The Health Resources and Services Administration (HRSA)	Amount \$1,050,000	Performance Period 7/1/2013 - 6/30/2016
College/District District/Daley/Truman	Accountability Dr. Debra Gurney, Executive Director Nursing Programs	Pd # 1305022	
Alignment			
Increase the number of students earning college credentials of economic value; increase the quality and effectiveness of student services and support.			
Summary			
This grant would provide student services and academic support to 80 disadvantaged pre-nursing students to increase their competitiveness when applying to an accredited CCC nursing program. This grant would also provide student services, academic support and scholarships for 64 disadvantaged CCC nursing students to increase academic performance, persistence, graduation and NCLEX-RN licensure examination pass rates. Finally funds would be used to improve equipment in simulation labs to enhance clinical education.			

Grant Name Program Grant / Partners in Excellence Grant	Funder Illinois Arts Council	Amount \$8,000	Performance Period 9/1/2013-8/31/2014
College/District WYCC	Accountability Paul Bucker, Station Manager	Pd # 1305023	
Alignment			
Strategically align community and special interest programming with community need.			
Summary			
This grant would provide general operating funds to WYCC.			

Grant Name Computing Education for the 21 st Century (CE21)	Funder National Science Foundation (NSF) supplement to Broadening Advanced Technological Education Connections (BATEC) grant with University of Mass, Boston	Amount \$56,628	Performance Period 9/1/2013 – 8/31/2016
College/District Wright	Accountability Mike Davis, Interim Vice President, Wright	Pd # 1305024	
Alignment			
Increase the number of students earning college credentials of economic value; Increase the rate of transfer to bachelor's degree programs following CCC graduation.			
Summary			
This grant would support professional development for CCC professors in Computer Science, Networking Technology & Security, and Information Technology, the three pathways that have been identified in the C2C program. In addition, this grant would support workshops with Chicago Public School teachers who are participating in Dual Credit and the Early College STEM schools.			

Grant Name Small Business Innovation Research and Small Business Technology Transfer (SBIR/STTR) Community College Research Teams (Phase II-CC)	Funder National Science Foundation (NSF) sub award from Thermal Conservation Technologies	Amount \$30,000	Performance Period 3/1/2013 7/31/2014
College/District Harold Washington	Accountability Dr. Thomas Higgins, Professor	Pd # 1305025	
Alignment			
Increase the number of students earning college credentials of economic value; Increase the rate of transfer to bachelor's degree programs following CCC graduation; Strategically align community and special interest programming with community need.			
Summary			
This project would fund 2-4 students during summer 2013, fall 2013, and spring 2014 with an option to extend into summer 2014. These students would participate in two sets of quality control experiments related to the performance of new high-performance vacuum insulation panels. The students would learn different experimental and analytical skills, see how the knowledge that they gained throughout their coursework can be directly applied to current research, and have a chance to interact with the business community.			

DONATIONS
(Total Value - \$25,815)

William Gordon (PD# 1305025)

Retired Journeyman of Local 130 donated plumbing supplies to the Plumbing and Fire Protection program at Dawson Technical Institute at Kennedy-King College. The value of these supplies is estimated at \$1,415.

Krueger Broadcast Services Inc. (PD# 1305026)

A donation of rigid high power coaxial transmission line components manufactured by Myat Industries has been made to WYCC by Krueger Broadcast Services Inc. The value of the components is estimated at \$24,400.

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees approves acceptance of any gifts, grants or other funding which may be forthcoming from these proposals and authorizes the Chancellor, the Vice Chancellor for Institutional Advancement, or the Associate Vice Chancellor for Development to serve as *authorized representative* or *official representative* of the District in the submission of proposals for funding and to execute all documents for the acceptance of this funding or these gifts and the operation of the funded projects; said acceptance to be subject to the terms and conditions set forth by the grantor, including specified subcontracts and purchases, and said funds not to be expended by the Board for any other purposes.

Respectfully submitted,

**Cheryl L. Hyman
Chancellor**
