Education that Works

Create the Environment for Our Work

Administration, Faculty and Staff should....

- ▶ Embrace completion and create an environment for same in everything that we do
- ▶ Communicate with transparency to students and with each other
 - ▶ What we can do
 - ▶ What we are challenged to do
 - ▶ What we own for the solution
- ▶ Empower, not enable students—address behavior
- ▶ Provide accurate and consistent information at all times
- ▶ Escalate matters for support
