OFFICE OF ACADEMIC AFFAIRS

WHEREAS, new educational programs require approval of the Board of Trustees of Community College District 508, the Illinois Community College Board (ICCB) and the Illinois Board of Higher Education (IBHE);

WHEREAS, an application for approval of a new College to Careers program at Malcolm X College, Anesthesia Technology, Associate in Applied Science, has been received and has been appropriately reviewed for submission; and

WHEREAS, the industry for Health and Therapeutic Services has multiple career paths and employment opportunities, which include occupations such Anesthesia Technician, Anesthesia Assistant, and Nurse Anesthetist. The healthcare industry is experiencing growth in the number of technicians and assistants utilized in the delivery of patient care or support services. Additionally, as concerns about cost containment in healthcare grow, the role of technicians and assistants will continue to expand as they become an alternative to more expensive providers of care. This program is designed to provide students with the instructional training needed for entry-level positions in hospitals and other healthcare facilities where anesthesiologists or nurse anesthetists are employed.

NOW THEREFORE BE IT RESOLVED, that the Board of Trustees of Community College District No 508, Cook County and State of Illinois, hereby approves the submission of these programs for permanent approval by the Illinois Community College Board and Illinois Board of Higher Education.
