COUNTY OF COOK AND STATE OF ILLINOIS

RESOURCE DEVELOPMENT

THE CHANCELLOR

REPORTS

that the following proposals, contracts, and other special funding instruments are under development or have been submitted by staff at this time.

(TOTAL VALUE \$980,851)

Grant Name Chicago Department of Family and Support Services-Head Start Program	Funder Chicago Department of Family and Support Services	Amount \$954,151	Performance Period 12/1/2014-11/30/2015
College/District District	Accountability Maria Elena -Sanchez, District Director –Child Development	Pd # 1501039	
Alignment			
Increase rate of transfer to bachelor’s degree programs following CCC graduation; Increase the number of students earning college credentials of economic value. Increase the quality and effectiveness of student services and support.			
Summary			
Head Start is a federally funded program that promotes school readiness to children ages 3-5. The program would subsidize the cost of programs at Daley, Malcolm X, Truman, Kennedy-King and Olive- Harvey. The Child Development Laboratory Schools support student success by reducing barriers to student's enrollment and retention: offering quality early learning care services to the children of CCC students.			

Grant Name Gateways Family Specialist Credential Pilot	Funder Gateways to Opportunities	Amount \$5,000	Performance Period 7/1/2014-6/30/2015
College/District Truman	Accountability Peggy Korellis, Dean of College to Careers	Pd # 1501041	
Alignment			
Increase rate of transfer to bachelor’s degree programs following CCC graduation; Increase the number of students earning college credentials of economic value.			
Summary			
This pilot would impact the first cohort of Human Development and Family Studies (HDFS) students, approximately 30 students. Upon completing their AAS degree in HDFS, CCC students would be eligible for the Family Specialist credential which would benefit them when applying for employment. The projected			

outcomes and objectives are - to align coursework with the proposed Gateways to Opportunities Family Specialist\knowledge/skills/dispositions and benchmarks and to ensure the academic program continues to align with the benchmarks of the Gateways to Opportunity Family Specialist Credential. Grant funds would be used to pay for faculty stipends.

Grant Name WYCC Walk for Health	Funder Dr. Scholl Foundation	Amount \$10,000	Performance Period 11/1/2014- 12/1/2015
College/District WYCC PBS Chicago	Accountability Shaunese Teamer, Director of Revenue and Development	Pd # 1501040	
Alignment			
Strategically align community and special interest programming with community need.			
Summary			
WYCC PBS Chicago was invited by the Dr. Scholl Foundation to submit a project proposal for a walk-a-thon and health fair to build momentum and engage the community in developing healthy lifestyles. Whole Foods Market will open a new store in the Englewood community in 2016. WYCC and Washburne Culinary Institute would make advancements toward educating and engaging the community prior to this opening. One of the projects to be implemented would be the WYCC Kids Club "Walk for Health" fair in the summer/fall 2015. This event would provide activities for the entire family including healthy eating presentations from Washburne and the local Whole Foods Market. This project would allow WYCC and Washburne to interact with the local community promoting educational initiatives. WYCC would engage 4-5 student interns to assist with the pre- and post-activities. This project would increase potential opportunities to acquire new memberships and revenues for the station. The funds would be used for general operating activities.			

Grant Name Hope College Research Award	Funder Hope College (funds received from the National Science Foundation)	Amount \$8,700	Performance Period 1/1/2015- 7/31/2015
College/District Harold Washington	Accountability Thomas Higgins, Department of Physical Sciences	Pd # 1501042	
Alignment			
Increase the number of students earning college credentials of economic value; Increase the rate of transfer to Bachelor's degree programs following CCC graduation.			
Summary			
Hope College invited City Colleges of Chicago to partner with them to help build a student/faculty learning community around undergraduate research. This grant would provide students with authentic research opportunities in the Physical Science disciplines. These opportunities have been shown to increase student retention, success, and degree completion. Funds would be used to pay student tuition and stipends, faculty stipends, supplies, materials, and travel to professional meetings.			

Grant Name Science Education for New Civic Engagement and Responsibilities (SENCER) Summer Institute (SSI) Post-Institute Implementation Award	Funder National Center for Science and Civic Engagement National Science Foundation	Amount \$3,000	Performance Period 1/1/2015-12/31/2016
College/District Truman	Accountability Raymund Torralba, Associate Professor	Pd # 1501046	
Alignment			
Increase the number of students earning college credentials of economic value; Increase the rate of transfer to Bachelor's degree programs following CCC graduation; Strategically align community and special interest programming with community need.			
Summary			
The SENCER grant would support Truman by providing professional development training and aid in developing coursework and curriculum for students taking blocked English/Science courses. The science courses would focus on integrating reading/writing/science so that English students would be able to develop their science proficiency prior to moving into C2C programs. Grant funds would be used for faculty stipends, student out-of-class experiences and travel to SENCER conferences.
