¹ The Blues Kids Foundation initiative was associated with a community outreach project that WYCC had planned with the Chicago Public Schools for the school year 2014-2015. Due to CPS school scheduling conflicts and school closings relative to winter weather, there was a delay in processing because the station was considering hosting additional events in the spring.

A summary of the agreement is attached hereto.

SCOPE OF SERVICES

Blue Kids Foundation

Blue Kids Foundation will provide educational outreach for the WYCC Blues in the Schools Program (the "Program") for CPS elementary and middle school students. As a companion campaign for the blues programming series, the Program introduces students to blues music and 40 students are provided harmonicas to participate in the performance.
