RESOURCE DEVELOPMENT

THE CHANCELLOR

REPORTS

that the following proposals, contracts, and other special funding instruments are under development or have been submitted by staff at this time.

(TOTAL VALUE \$300,000)

Grant Name Advanced Technological Education (ATE) Program, Division of Undergraduate Education	Funder National Science Foundation	Amount \$300,000	Performance Period 8/1/2015 - 7/31/2016
College/District Harold Washington	Accountability Thomas Higgins, Professor	Pd # 1506077	
Alignment Increase the number of students earning college credentials of economic value; Increase the rate of transfer to Bachelor's degree programs following CCC graduation; Increase the quality and effectiveness of student services and support; Strategically align community and special interest programming with community need.			
Summary If funded, The National Science Foundation would engage Professor Higgins as a program officer in the advanced Technological (ATE) program based in Arlington, Virginia. Professor Higgins would serve as a program officer for the ATE program for the 2015-2016 school year. Dr. Higgins would gain knowledge of best practices in the field for developing two-year certificates and degrees that would help students obtain employment immediately after earning a two-year degree, and bring this knowledge back to CCC. This grant would cover Dr. Higgins salary and benefits.
