Campus Solutions Re-Implementation & Upgrade Project

Associate Vice Chancellor Michael Mutz
Vice Chancellor Jerrold Martin
March 5, 2015
Project Overview

The Campus Solutions Re-Implementation & Upgrade Project (CSRP)

• **Upgrade** CCC’s current operational “system of record” for admissions, course catalog/class schedule, enrollment, certificate/degree conferral, student billing and financial aid from the current PeopleSoft (PS) Student Administration (SA)

• **Re-implement CS v9** to fully utilize the ERPs “best in breed” capabilities with respect to the operational needs of: Recruiting & Admissions, Academic Advisement, Student Records, Financial Aid, Student Financials, and **Self-Service capabilities.**
Campus Solutions Overview

Recruiting & Admissions
- Recruit & nurture prospects
- Online application (all careers)
- Application acceptance
- Admissions processing

Student Records
- Official records & transcripts
- Graduation clearance; process exceptions
- Class certification & drops
- Whole program enrollment
- Course catalog/Class Sched.

Academic Advising
- Advising support – goal setting, program selection, education planning
- Monitor success – focus supports as needed
- Degree audit

Financial Aid
- Process FA applications
- Award & disburse FA
- Manage federal, State, & other aid programs
- Compliance with federal & state regulations

Student Financials
- Process tuition & fee transactions
- Collect on student & third party contract accounts
- Integrate with general ledger

CCC Financials
- General ledger
Key Benefits of Campus Solutions

• **Increases Visibility** – Campus Solutions provides access to comprehensive, real-time data. Improved information and reporting enables analysis and trending.

• **Accelerates Progress** – Automation and self-service transforms the student academic lifecycle. Having complete lifecycle data in one system, from prospecting through graduation, allows CCC to plan, strategize for marketing, and foster the nourishing cycle of students.

• **More User Friendly** – The **Portal** delivers one-stop, role-based access to the Campus Solutions system and other commonly used resources, key documents, and announcements for students, faculty, and advisors.
