THE CHANCELLOR

REPORTS

that the following proposals, contracts, and other special funding instruments are under development or have been submitted by staff at this time.

(TOTAL VALUE \$5,183,300)

Grant Name Explore the Outdoors Public Broadcasting Station (PBS) Grant	Funder Public Broadcasting Station (PBS) KIDS Explore the Outdoors	Amount \$3,500	Performance Period 3/1/2016 – 2/28/2017
College/District WYCC PBS Chicago	Accountability Shaunese Teamer, Director of Revenue and Development	Pd # 1604053	
Alignment Strategically align community and special interest programming.			
Summary This new grant would support education and outreach activities at WYCC PBS Chicago. Funds would be used for educational screenings of programs and for outreach materials to help expand viewer connection with the great outdoors, conservation education and nature. This grant would also allow WYCC to engage 4-6 interns per semester.			

Grant Name Conservation Education Documentary Screenings	Funder Rice Foundation	Amount \$5,000	Performance Period 3/1/2016 – 2/28/2017
College/District WYCC PBS Chicago	Accountability Shaunese Teamer, Director of Revenue and Development	Pd # 1604054	
Alignment Strategically align community and special interest programming with community need.			
Summary Through a partnership with the Forest Preserve District of Cook County, WYCC produced a one-hour documentary celebrating the centennial anniversary of the Forest Preserve. The documentary focused on Conservation Education and recognized the Forest Preserve District of Cook County as one of the largest and oldest forest preserves in the nation. This new grant would allow WYCC to provide educational screenings of the documentary to educators, librarians, K-12 students and the WYCC viewing community. The screening would allow viewers to learn about the vast natural resources in Cook County, and provide instructors with ideas for lessons about conservation. This grant would also allow WYCC to engage 4-6 interns per semester.			

Grant Name Northeastern Illinois University Middle School Teacher Quality Enhancement (NEIU MSTQE)	Funder Northeastern Illinois University (NEIU)	Amount \$10,000	Performance Period 7/1/2015 – 6/30/2016
College/District Wright/Truman	Accountability Nicole Reaves, Vice President of Academic and Student Affairs	Pd # 1604055	
Alignment			
Increase the number of students earning college credentials of economic value; Increase the rate of Bachelor's degree programs following CCC graduation; Drastically improve outcomes for students needing remediation; Strategically align community and special interest programming.			
Summary			
The Middle School Teacher Quality Enhancement (MSTQE) program is a renewal grant. This grant is funded through the Consortium for Teacher Education in Middle School Math, Science and Technology Concepts. MSTQE was an outcome of a federal Teacher Quality Enhancement Grant given to the State of Illinois. Both Wright and Truman College have been working with Northeastern Illinois University (NEIU) for over ten years on this bridge program designed for students interested in elementary education and who seek an endorsement to teach mathematics and science at the middle school level. This grant would serve approximately 50 students over the course of the program. This bridge program aims to increase transfer rates of CCC students to NEIU. Funds from this grant would be used to cover the cost of release time for CCC (Wright and Truman) faculty serving as the Bridge Program Liaison to NEIU.			

Grant Name FY2016 TRIO Talent Search	Funder U.S. Department of Education	Amount \$1,200,000	Performance Period 10/1/2016 – 9/30/2021
College/District Malcolm X	Accountability Corey Baskin, Project Director	Pd # 1604059	
Alignment			
Increase the number of students earning college credentials of economic value; Increase the rate of Bachelor's degree programs following CCC graduation; Drastically improve outcomes for students needing remediation.			
Summary			
TRIO Talent Search would be a five year continuation grant for Malcolm X College. The purpose of the Talent Search grant is to identify qualified individuals from disadvantaged backgrounds with the potential for education at the post-secondary level, to encourage the completion of secondary school and to undertake post-secondary education. Malcolm X would serve approximately 500 students annually from selected target schools, where more than 90 percent of the student population are classified as low income. The Talent Search program at Malcolm X would help improve post-secondary enrollment by providing students with tutoring assistance, early intervention services, ACT test preparation and FASFA workshops, along with college selection and application preparation. Funds from this grant would be used to cover the cost of program personnel, instructional materials, expenses related to college visits and conference travel.			

Grant Name FY2016 TRIO Talent Search	Funder U.S. Department of Education	Amount \$1,200,000	Performance Period 10/1/2016 – 9/30/2021
College/District Truman	Accountability Mary Ann Soley, Dean of Student Services	Pd # 1604057	
Alignment			
Increase the number of students earning college credentials of economic value; Increase the rate of Bachelor's degree programs following CCC graduation; Drastically improve outcomes for students needing remediation.			
Summary			
This is a new grant for Truman College. The purpose of the Talent Search grant is to identify qualified individuals from disadvantaged backgrounds with the potential for education at the post-secondary level, to encourage the completion of secondary school and to undertake post-secondary education. Truman proposes to serve approximately 500 6 th to 8 th grade students from feeder schools, while engaging 30-50 Truman students, who would serve as mentors. With this grant, Truman would be able to build a relationship with Chicago Public Schools (CPS), and provide valuable training in mentoring and leadership to Truman students. Truman aims to aid students by encouraging secondary school persistence, secondary school graduation, completion of a rigorous program of study and post-secondary enrollment. Funds from this grant would be used to cover the cost of program personnel, instructional materials, expenses related to college visits and conference travel.			

Grant Name FY2016 TRIO Talent Search	Funder U.S. Department of Education	Amount \$1,200,000	Performance Period 10/1/2016 – 9/30/2021
College/District Wright	Accountability Maureen Fitzpatrick, Associate Dean	Pd # 1604056	
Alignment			
Increase the number of students earning college credentials of economic value; Increase the rate of Bachelor's degree programs following CCC graduation; Drastically improve outcomes for students needing remediation.			
Summary			
This is a new grant for Wright College. The purpose of the Talent Search grant is to identify qualified individuals from disadvantaged backgrounds with the potential for education at the post-secondary level, to encourage the completion of secondary school and to undertake post-secondary education. Wright College proposes to serve approximately 500 students from three feeder high schools, each with over 70 percent Hispanic, and 90 percent low-income student population. Through a close collaboration with the partner high schools, Wright would build cohorts of students and using an intrusive advising model would provide academic support and track participants. Project staff would be embedded into the student's schedules to provide the students with educational plans for high school completion and college enrollment. Advising would focus on increasing financial literacy and bolstering Math and English skills. Funds from this grant would be used to cover the cost of program personnel, instructional materials, expenses related to college visits and conference travel.			
Grant Name FY2016 TRIO Talent Search	Funder U.S. Department of Education	Amount \$1,564,800	Performance Period 10/1/2016 – 9/30/2021

College/District Kennedy-King	Accountability Tracey Cureton, Project Director	Pd # 1604058
Alignment		
Increase the number of students earning college credentials of economic value; Increase the rate of Bachelor's degree programs following CCC graduation; Drastically improve outcomes for students needing remediation.		
Summary		
TRIO Talent Search would be a five year continuation grant for Kennedy-King College. The purpose of the Talent Search grant is to identify qualified individuals from disadvantaged backgrounds with the potential for education at the post-secondary level, to encourage the completion of secondary school and to undertake post-secondary education. Approximately 650 students would be served by Kennedy-King's program annually. This grant would allow Kennedy-King to aid students who face formidable barriers to education attainment. The Kennedy-King Talent Search program would develop and expand a College Access Partnership that includes target schools, programs serving disadvantaged students, and post-secondary institutions. Kennedy-King would address the needs of low-income and potential first-generation students in a target area by providing strong college preparation, including ACT test prep, mentoring, tutoring, and a First Year experience for seniors preparing to enter college. Funds from this grant would be used to cover the cost of program personnel, instructional materials, expenses related to college visits and conference travel.		

RESOLUTION

Transfer of Funds from the CCC General Funds and/or Agency Accounts to the City Colleges of Chicago Foundation

WHEREAS, Article I, Section 1.4.1 of the Board Policies and Procedures Manual for the City Colleges of Chicago provides that colleges may request a general ledger agency fund account for each individual student organization to account for the deposits of funds collected during their campus related events, promotions and activities and to account for the disbursements to pay for related expenses from those accounts; and

WHEREAS, in the past, there were funds received and recorded in the Agency or CCC accounts that were intended for the City Colleges of Chicago Foundation for the purpose of scholarships or support for CCC programs; and

WHEREAS, in order to properly account for the receipts and the intended purpose for these funds, the following transfers were and are effective immediately:
