# In FY15, Malcolm X College served nearly 11,000 students between the main campus and the West Side Learning Center

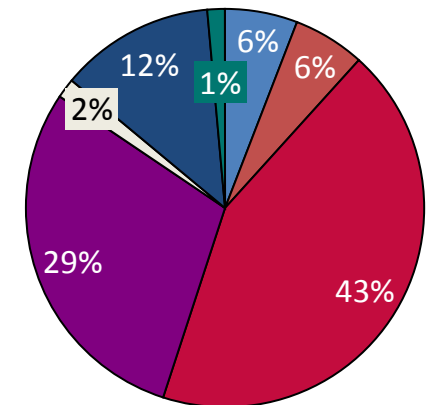

**Malcolm X College**  
1900 W. Jackson Blvd.

**West Side Learning Center**  
4624 W. Madison St

MXC is the Healthcare Hub for CCC and in FY15 **43%** of all MXC students declared a Healthcare Focus Area.

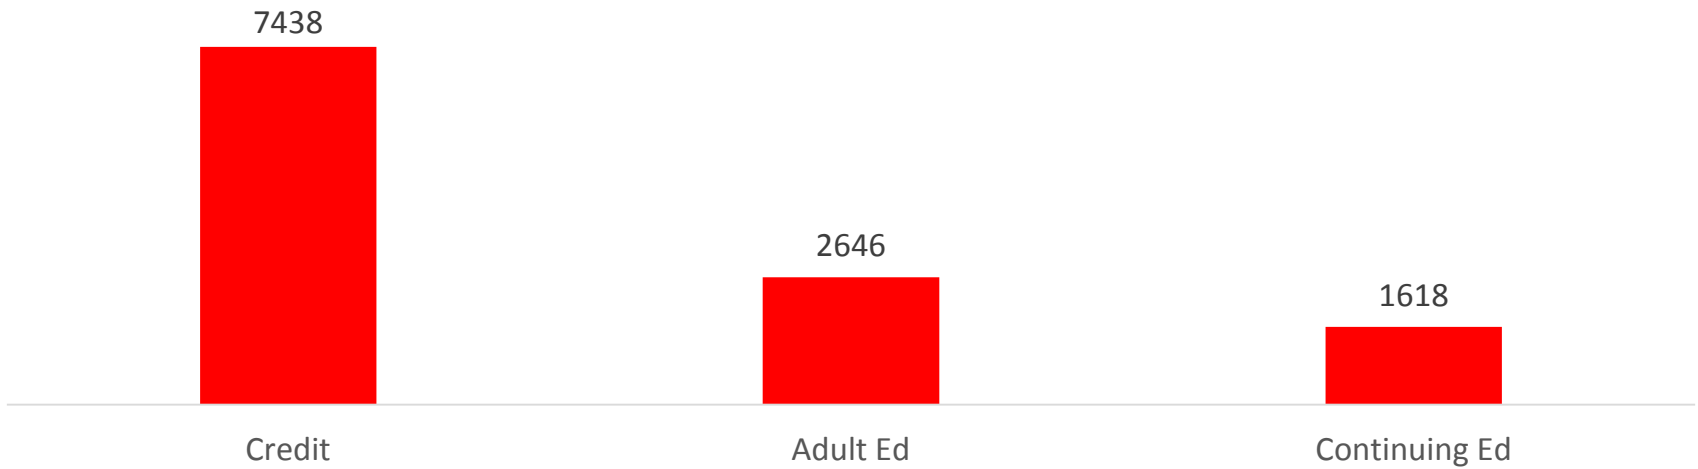

## Focus Area Interest

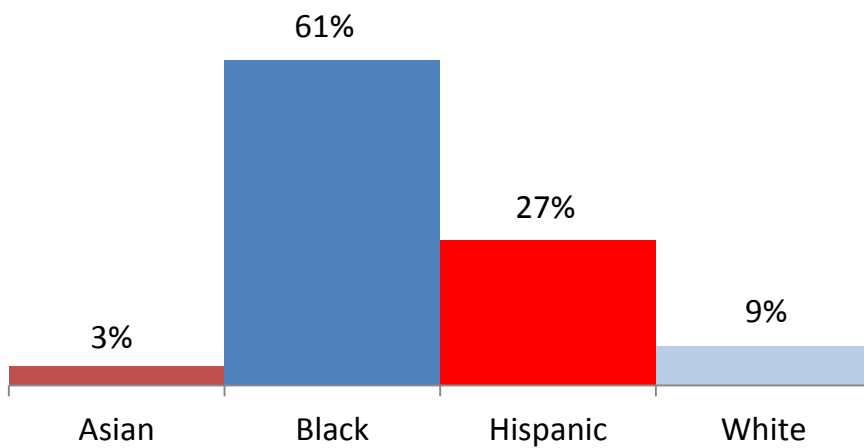

- Business & Professional Svcs
- Education
- Healthcare
- Human Sciences (Liberal Arts)
- Information Technology
- Natural Sciences
- "Other" Focus Areas

# Malcolm X College Demographics (FY 2015)

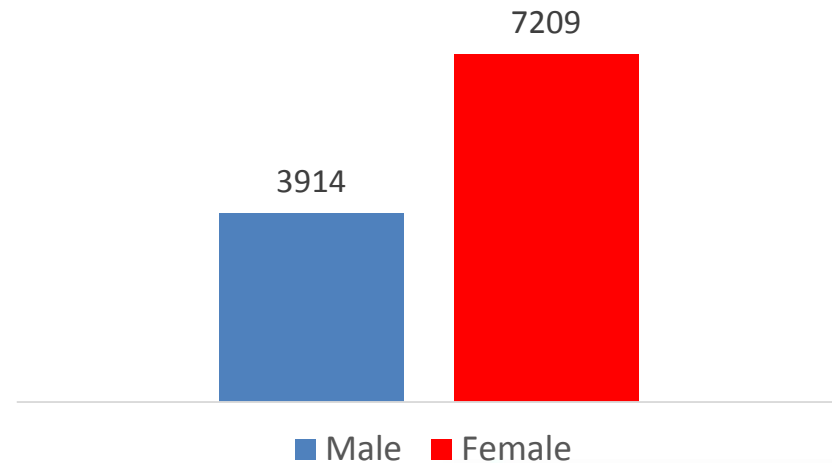

## Enrollment by Program Category, FY2015

## Total Enrollment by Ethnicity, FY 2015

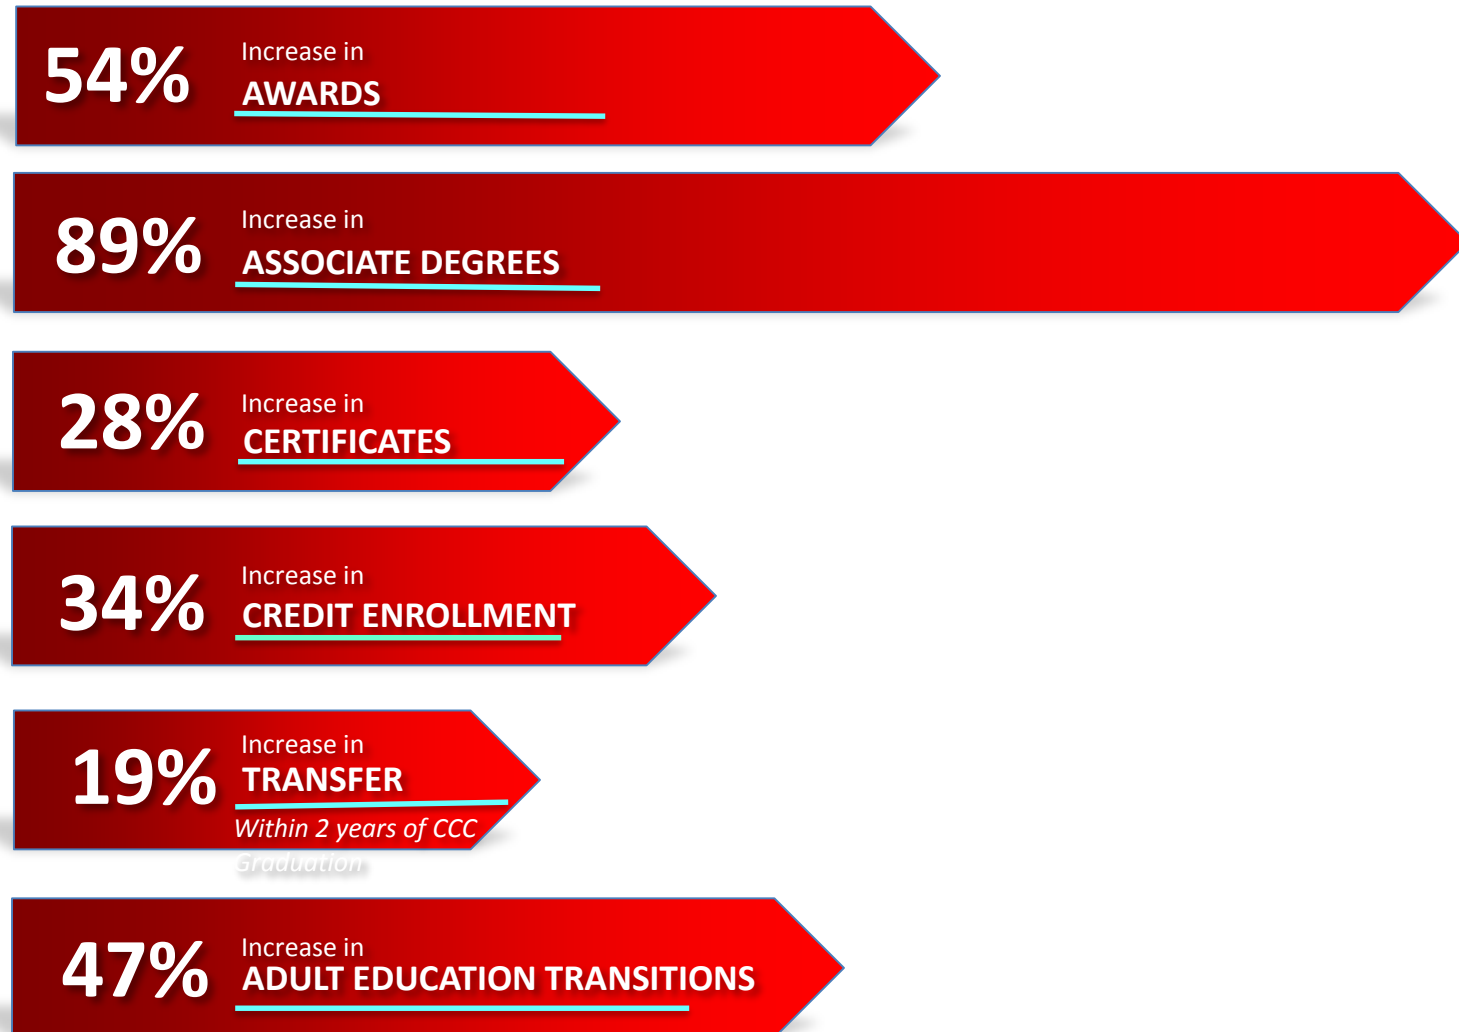

## Total Enrollment by Gender, FY 2015

# Malcolm X College has seen outcome gains under Reinvention, with increases in degrees, certificates, transfer and adult education

Since the launch of Reinvention, Malcolm X College has seen a:

# The Malcolm X College & School of Health Sciences Facilities officially opened January 7, 2016

## PROJECT FACTS

**Project managed by City Colleges of Chicago**

### **Owner's Representative**

- Jacobs Engineering Group

### **Schematic Design**

- Cannon Design

### **Architect of Record**

- Moody Nolan Inc.

### **General Contractor**

- CMO, A Joint Venture -  
Clark Construction, McKissack & McKissack, and  
Old Veteran Construction

**Size:** 1 million square feet

**Capacity:** 20,000 students - 6,000 more than the  
current college building

### **Financing**

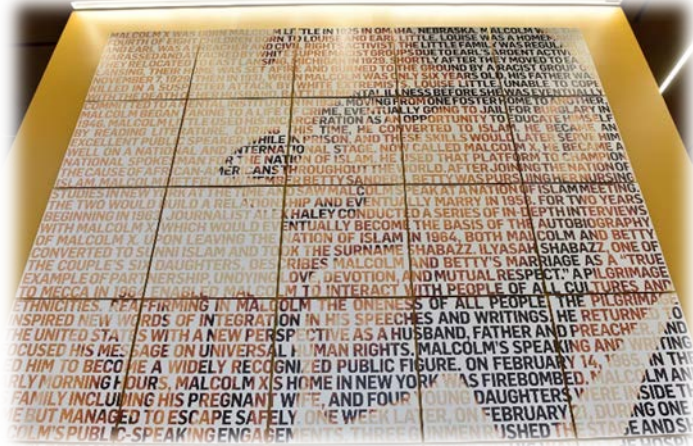

- Financed through City Colleges' 5-Year Capital Plan

### **Minority Participation**

- Moody Nolan is nation's largest African-American owned architectural firm
- Project involved nearly \$79 million in M/WBE commitments, nearly 37 percent to MBE firms, more than 7 percent to WBE firms.
- More than 2,400 people hired, 295 community members

A virtual hospital, labs, co-located student services and more prepare students for success in further college and careers

**Murals and public art** pay tribute to Malcolm X's career and contributions

**State-of-the-art labs**, treatment rooms and simulated clinical environments in the virtual hospital help students gain, practice, and test real-world skills

**Student Services** provides a one-stop location for students to meet with admissions, registration, advising, financial aid and business services

# The Virtual Hospital is a game changer for Student Assessment & Technological Innovations

**Student Assessment** the curriculum comes alive within the virtual hospital with over 8 simulation rooms. Students can be tested with mock drills that will prepare them for their clinical experience and for the workforce. These assessments allow for faculty to determine whether students are meeting SLOs (student learning outcomes).

**Technological Innovations** simulation can be utilized to improve and assess student learning. Highlights include a mock emergency room and ambulance. A Nursing station where students can triage medical emergencies. A mock sterile processing and decontamination station. State of the art mannequins that simulate real life medical emergencies from seizures to child birth.

# Westside Learning Center Healthcare Opportunities

*West Side Learning Center, conveniently located in the community, offers a variety of academic programs, including the Basic Nursing Assistant and is home to the Health Care Bridge Program.*

**Basic Nursing Program** WSLC offers 2 eight-week sessions per term where students obtain hands-on experience in a BNA lab, outfitted to resemble a hospital room. Further students are required to complete clinical hours in a off-site healthcare setting.

**Healthcare Bridge** A multifaceted adult education academic program offered at the WSLC. This program affords adult education students, the opportunity to attain a high school equivalency diploma, while pursuing a career in the field of health sciences.

**CVS Partnership** An exciting proposal with CVS and the WSLC could result in clinical placements for all Pharmacy Technician students, an onsite training facility, job opportunities for students and \$25,000 in scholarships.

## Focused attention on the quality of our healthcare programs is already making an impact

- This fall, the Respiratory Care Program met or exceeded accreditation standards
- The Mortuary Science Program was approved for re-accreditation for a period of seven years. The pass rate on the state licensure exam was 90%, the highest in the region!
- The nursing program has experienced a turnaround
  - In 2010, when we launched Reinvention, Malcolm X's pass rate on the state nursing licensure exam was 42 percent, a score well below the state-required threshold of 75 percent; and the program was unaccredited by ACEN
  - Malcolm X's pass rate on the latest state licensure exam was 97 percent and the CCC School of Nursing is now off probation!!!
  - In addition, CCC School of Nursing at Malcolm X College is now a conditionally ACEN accredited nursing program pending completion of a site visit.

## **MXC's center of excellence in healthcare education partners with employers to develop programs relevant to the workforce**

<b>Program</b>	<b>Credential</b>	<b>Application Required?</b>	<b>Program Begins</b>
EMT	BC	No	Fall, Spring, Summer
EMT II / Paramedics	AC/AAS	Yes	Fall
Health Information Mgt (HIM)	BC/AC/AAS	No	Fall, Spring, Summer
Patient Care Tech (Health Pro)	BC	No	Fall, Spring, Summer
LPN Bridge Nursing	AAS	Yes	Summer
Massage Therapy	AC	No	Fall, Spring, Summer
Mortuary Science	AAS	Yes	Fall
Nursing	AAS	Yes	Fall
Basic Nursing Assistant (BNA)	BC	No	Fall, Spring, Summer
Personal Fitness Trainer	BC	No	Fall, Spring, Summer
Pharmacy Tech	AC	Yes	Fall
Phlebotomy	BC	Yes	Fall/Spring
Radiography	AAS	Yes	Summer
Respiratory Care	AAS	Yes	Fall
Surgical Technology	AAS	Yes	Fall

Programs in Practical Nursing, Dental Hygiene, Medical Assistant, and Occupational Therapy Assistant are also being added. Malcolm X College continues to offer general education and GED/ESL courses.

# Idris Ayantoye Malcolm X College 2015 Valedictorian

*Associate of Science: Pre-Med*

Pursing Bachelor of Science, Illinois Institute of Technology

## **MXC Hawks Stats:**

- Malcolm X NJCAA Soccer Team
- Vice President of the Biology Club
- CCC STEM Scholar
- Student Ambassador
- Member of Phi Theta Kappa
- Student Level-Up Tutor

Idris was awarded the Presidential Scholarship offered by the Illinois Institute of Technology to qualified CCC students.

He currently attends IIT and is majoring in molecular biochemistry and biophysics. He plans to become a neurologist.

***“I'm looking to become a neuroscientist...Hopefully by 2017...I will apply to medical school. I hope to use my experience at Malcolm X College in my pursuit of [my] success for the future.”***

# APPENDIX

# Malcolm X College History

Malcolm X College is located near the birth place of the City Colleges of Chicago, Crane Junior College, on Jackson & Oakley

1911

Crane Technical High School  
Nat Turner Campus

Crane grew to be the largest junior college in the nation with 4,000 students

1929

During World War II, the school served as a Naval training college  
1944

1988

To better serve the needs of the community, the College opened the West Side Learning Center.

2016

The 500,000 sq ft campus will open its doors serving the community with both general education and healthcare programs.

1911

1923

1935

1947

1959

1971

1983

1995

2007

Today

The Great Depression forced the college to close - only to re-open less than a year later under the name Herzl Junior College.

1933

The CCC Board of Trustees renamed the school Malcolm X College after the African-American civil and human rights leader and moved to its current location, 1900 W. Jackson Blvd.

1969

2011

Announced as the healthcare hub for City Colleges of Chicago offering a large selection of health sciences programs and is preparing students for the 84,000 healthcare jobs anticipated in the region in the next 10 years.
