THE CHANCELLOR RECOMMENDS:

that the Board of Trustees authorizes the Chair to execute an amendment to extend the term of the agreement with Ad Astra Information Systems through August 24, 2018, to purchase software licenses, hosting services and implementation support for an automated faculty, course, classroom at an cost not to exceed $310,000 and a total cost not to exceed $810,000 for the contract term.

VENDOR: Ad Astra Information Systems
6900 West 80th Street, Suite 300
Overland Park, Kansas  66204

USER: District Wide

ORIGINAL TERM:
The original term of the agreement began on August 1, 2014 and will end on July 31, 2017 with two one year optional renewal terms.

EXTENDED TERM:
The term of the agreement shall be extended through August 24, 2018.

SCOPE OF SERVICES:
Ad Astra will:
- provide implementation and training services for the “Accounting Module”
- provide implementation and training services for “Instructor Optimization Module”
- provide for integration with CCC.edu
- extend hosting and support services through 2018
The extension period and additional cost is necessary due to increased implementation and training services for the Accounting Module and Instructor Optimization, additional costs to integrate with CCC.edu, and hosting and support services, as well as planned expansion that includes the new Malcolm X College and all District-wide campus facilities.

**BENEFIT TO CITY COLLEGES OF CHICAGO:**

The Ad Astra solution automates the faculty to course scheduling, and classroom assignment functions, establishing the academic class schedule across the district for the term. This solution replaces the current manual, labor-intensive process. Classrooms are assigned automatically, based on availability, enrollment, and resource requirements. The solution enables each college to fully leverage “in demand” spaces such as lecture halls, science labs and smart classrooms. Ad Astra’s seamless integration with CCC’s PeopleSoft Campus Solution system captures faculty, course, and location/scheduling changes in real time, eliminating duplicate manual entry.

The solution includes space modeling functionality, which allows administrators to run “what if” scenarios before finalizing the room assignments. CCC management and administration have insight into classroom capacity and utilization through Ad Astra’s easily configured analytics, dashboards and reporting tools. These metrics will enhance CCC’s enrollment management efforts, which will in turn allow CCC to deliver more of the classes students needed to achieve their academic programs in less time. Customer satisfaction will be greatly enhanced as room changes can be made in a fraction of the time. Automatic email communication ensures that students, faculty, and other users are aware of the changes and are never misdirected to the wrong instructional space.

The solution can also be configured to support non-instructional room/building space, and event management requests, such as meetings, community programs and student club events.

**VENDOR SELECTION CRITERIA:**

Specifications were prepared by District Procurement Staff and a Request for Proposal (RFP) #SH1402 was publicly advertised on March 6, 2014. Four (4) companies were contacted. Three (3) firms responded to the RFP on March 28, 2014: 1) Ad Astra; 2) CollegeNet, Inc. and 3) Event Management Systems.

All qualifications were reviewed, evaluated and ranked by staff which included the Office of Information Technology, the Office of Academic Affairs, Office of Administrative and Procurement Services and the Office of MBE/WBE Contract Compliance.

The Evaluation Committee members were responsible for evaluating proposals based on the following criteria listed in the RFP:

1. Experience and Statement of Qualifications
2. Proposed Solution Plan
3. Itemized Requirements
4. Cost Proposal
5. MBE/WBE Compliance

Based on the evaluation scoring, staff recommends the acceptance of the proposal from Ad Astra Information Systems, LLC.

**MBE/WBE COMPLIANCE:**
The Office of Contract Compliance has reviewed the renewal referenced above and recommends a partial WBE (5%) and a complete MBE waiver (25%) of the Board Approved Participation Plan because the vendor has provided sufficient due diligence regarding its efforts to comply.
