The Chair also noted that the Provost Search will also be a national search and will formally began with a position announcement later this month or early in December. Chair Middleton expressed his appreciation to Trustee Lawson and the Provost Screening Team for their extensive work on preparing the announcement for this position. Chair Middleton expressed gratitude to the Chancellor

and the staff from the Offices of Finance, Administrative and Procurement Services and Internal Audit for their reports to the Finance and Administrative Services committee of the Board. He also noted that the November 1, 2016 committee meeting, our external auditors, RSM issued a clean, or unmodified opinion on this year’s audit which is an optimal result. The Chair further noted that the Board has a special interest in learning the views of our amazing students at each of our seven colleges and to facilitate an active role for our student trustee in the proceedings of the Board. To that end, the Board has requested that the Student Trustee briefly report on what she has learned and the views of students when they engage with her during the course of fulfilling her duties outside the confines of the board meetings. The Student Trustee will also provide an advisory vote on all matters considered during the board meetings going forward.
