OFFICE OF ADMINISTRATIVE AND PROCUREMENT SERVICES
MALCOLM X COLLEGE AND SCHOOL OF HEALTH AND SCIENCES
(AMENDMENT TO BOARD REPORT #33069, ADOPTED ON OCTOBER 13, 2016)**

THE CHANCELLOR RECOMMENDS:

that the Board of Trustees authorizes the Chair to execute an amendment agreement with Moody Nolan, Inc. that provided architectural and engineering services for the new Malcolm X College for the period from April 4, 2013 through June 30, 2018, for an additional \$80,000 at a revised total cost not to exceed \$13,478,000.

VENDOR: Moody Nolan, Inc.
209 South LaSalle Street, Suite 820
Chicago, Illinois 60604

USER: Office of Administrative and Procurement Services

ORIGINAL TERM:

The original term of the agreement commenced on April 4, 2013 and ended June 30, 2017.

EXTENDED TERM:

The extended term of the agreement commenced on July 1, 2017 and will end on June 30, 2018.

SCOPE OF SERVICES:

Moody Nolan, Inc. in coordination with Administrative and Procurement Services staff, was responsible for the following critical tasks:

- Using the Schematic Design by Jacobs/Cannon, develop and complete Design Development Documents, Contract Documents, Contract Administration and the Project Close Out for the New Malcolm X College Campus.
- Design (furniture layout) and technical specifications of the complete Furniture, Fixture & Equipment (FF&E) design package, including the comprehensive coordination of all required utility requirements for the specified furniture systems and equipment

- Coordinating and facilitating steering committee meetings, strategic design work, and conducting field meetings and site visits for the purpose of data collection and monitoring.

As City Colleges has moved into the new campus building and begun operations, staff are still working with the general contractor, CMO, in project close-out and dispute resolution. At this time, the continued participation of Moody Nolan, Inc. will support the identification of design inconsistencies that may affect maximal operating functionality of the College in the future.

BENEFIT TO CITY COLLEGES OF CHICAGO:

This multi-faceted team demonstrated the ability to work within an accelerated design schedule that met critical milestones associated with the overall project schedule. The team will also had production and staffing capacity to produce the necessary technical specifications and detailed drawings in order to complete the design and manage the multiple consultants in the process.

DELIVERABLES:

Deliverables will include:

- Confirmed scope and adherence to budget and schedule.
- Provide design plans and project documentation in support of construction reviews.
- Provide any other investigation and/or testing necessary to produce accurate and complete assessments.
- Meet with CCC staff and any other public/private agencies, organizations, and community representatives, as required, and prepare meeting minutes.
- Provide documentation that design work was in accordance with all local, state and federal governing codes, including but not limited to the Chicago Building Code, Illinois Accessibility Code, Americans with Disabilities Act (ADA), the Chicago Standard of “Building Healthy, Smart and Green,” and the City Colleges of Chicago Design Guidelines and Standards.
