ADOPTED – BOARD OF TRUSTEES
COMMUNITY COLLEGE DISTRICT NO. 508
FEBRUARY 9, 2017

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
COUNTY OF COOK AND STATE OF ILLINOIS

RESOURCE DEVELOPMENT

**THE CHANCELLOR
REPORTS**

that the following proposals, contracts, and other special funding instruments are under development or have been submitted by staff at this time.

(TOTAL VALUE \$5,065,663)

Grant Name The Vietnam War Station Engagement Grant	Funder WETA/ Public Broadcasting Station	Amount \$10,000	Performance Period 1/1/2017 – 7/1/2018
College/District WYCC PBS Chicago	Accountability Shaunese Teamer, Director of Revenue and Development	Pd # 1702045	
Alignment Strategically align community and special interest programming.			
Summary This station engagement grant, new funding from WETA/PBS, would allow WYCC PBS Chicago to present up to four screenings of <i>The Vietnam War</i> . These screenings would give WYCC PBS Chicago the opportunity to encourage courageous conversations about what happened during the Vietnam War, and demonstrate strong community partnerships with veterans, historical, cultural and educational organizations. This grant would allow WYCC to provide the WYCC community with an outdoor screening of <i>The Vietnam War</i> at a forest preserve, and an exhibition of <i>The Wall the Heals</i> , along with panel discussions, a town hall meeting and a youth poetry slam. This grant would serve as a service learning project for the CCC Veterans Services Centers. This funding would also support the station and increase potential opportunities to acquire new memberships and revenues for the station. Additionally, funds received would be used for equipment, supplies, contracts, planning meetings/refreshments, marketing materials and staffing.			

Grant Name General Operations (Broadcast)	Funder Nuveen Benevolent Trust	Amount \$10,000	Performance Period 3/1/2017 – 8/31/2018
College/District WYCC PBS Chicago	Accountability Shaunese Teamer, Director of Revenue and Development	Pd # 1702046	
Alignment			

Strategically align community and special interest programming.

Summary

WYCC PBS Chicago is seeking this new grant in support of their original broadcast programming, *Chicago Sinfonietta Presents*, and *In the Loop*. *Chicago Sinfonietta* is a professional orchestra dedicated to modeling and promoting diversity, inclusion, and both racial and cultural equity in the arts through the universal language of symphonic music. *In the Loop* provides a fresh perspective on trending news stories. Funds would be used to support Education and Outreach, promotion and publicity efforts involved with these programs. This grant would allow WYCC to engage 4-6 interns to assist with pre- and post-production activities. This funding would also support the station and increase potential opportunities to acquire new memberships and revenues for the station. Additionally, funds received would be used for equipment, supplies, contracts, planning meetings/refreshments, marketing materials and staffing.

Grant Name General Operations (Broadcast)	Funder Equity Residential Foundation	Amount \$10,000	Performance Period 1/1/2017 – 5/1/2018
College/District WYCC PBS Chicago	Accountability Shaunese Teamer, Director of Revenue and Development	Pd # 1702047	

Alignment

Strategically align community and special interest programming.

Summary

WYCC PBS Chicago is seeking support for their Education Outreach Initiative. This new grant project would support WYCC's mission to educate and empower the community through entertainment, educational content and discussions that increase awareness. Funds would be used to support Education and Outreach, promotion and publicity efforts involved with these programs. This grant would allow WYCC to engage 4-6 interns to assist with pre- and post-production activities. This funding would also support the station and increase potential opportunities to acquire new memberships and revenues for the station. Additionally, funds received would be used for equipment, supplies, contracts, planning meetings/refreshments and marketing materials.

Grant Name General Operations (Broadcast)	Funder Rhoda and Henry Frank Family Foundation	Amount \$10,000	Performance Period 2/1/2017 – 12/31/2018
College/District WYCC PBS Chicago	Accountability Shaunese Teamer, Director of Revenue and Development	Pd # 1702048	

Alignment

Strategically align community and special interest programming.

Grant Name Illinois Energy Now Public Sector Energy Efficiency New Construction Program	Funder Illinois Department of Commerce and Economic Opportunity (DCEO)	Amount \$68,925	Performance Period Ongoing
College/District Wright	Accountability John Brophy, Sustainability Manager	Pd # 1702044	
Alignment			
Improve operational discipline with a focus on high performance standards including excellent financial management; Ensure safe sure and secure teaching and learning environments.			
Summary			
Illinois Energy Now Public Sector Energy Efficiency New Construction Program, administered by the Department of Commerce & Economic Opportunity is an electric and natural gas efficiency program that provides incentives and services for public sector energy efficient equipment upgrades. This program is a new opportunity for City Colleges of Chicago. Wright College would receive incentives for projects that increase their energy efficiency during the renovation of the Wright College Learning Resource Center. Based on energy efficient designs, Wright College would qualify for \$7,581 for electric incentives and \$61,343 for natural gas incentives.			

Grant Name Career and Technical Education (CTE) Program Improvement Grant (PIG)	Funder Illinois Community College Board	Amount \$172,672	Performance Period 07/01/2016 – 60/30/2017
College/District District	Accountability Sarah Lichtenstein, Associate Vice Chancellor – Career Programs	Pd # 1702041	
Increase the number of students earning college credentials of economic value; Increase the quality and effectiveness of student services and support.			
Summary			
The CTE Program Improvement Grant (PIG) is a reoccurring grant opportunity intended to enhance instruction and academic support activities that strengthen and improve career and technical education. These grant funds would be dedicated to enhancing instruction and academic support activities that strengthen and improve approved City Colleges of Chicago Career and Technical Education (CTE) programs districtwide. Funds would be used for personnel, instructional equipment, materials and supplies.			

Grant Name Chicago Department of Family and Support Services Head Start Program	Funder Chicago Department of Family and Support Services	Amount \$898,174	Performance Period 12/1/2016 – 11/30/2017
College/District Daley Kennedy-King Malcolm X Olive Harvey Truman	Accountability Maria Elena Sanchez, District Director Early Childhood	Pd # 1702039	
Increase the number of students earning college credentials of economic value; Increase the rate of transfer to Bachelor’s degree programs following CCC graduation; Drastically improve outcomes for students needing remediation; Strategically align community and special interest programming; Increase the quality and effectiveness of student services and support.			
Summary			
Head Start is a reoccurring federally funded program that promotes school readiness to children ages 3-5. The Head Start program assists low income families by subsidizing the cost of child care programs at Child Development Laboratory Schools located at Daley, Kennedy-King, Malcolm X, Olive- Harvey and Truman. The program supports student success by reducing barriers to student's enrollment and retention, offering quality early learning care services to the children of CCC students. Additionally, this program allows CCC to provide comprehensive social services and provides participating families the opportunity to become involved in the program governance committee.			

Grant Name FY2017 Upward Bound Grant	Funder United States Department of Education (DOE)	Amount \$1,285,892	Performance Period 9/1/2017 – 08/31/2022
College/District Kennedy-King	Accountability Johnny Craig, Dean of Student Services	Pd # 1702043	
Alignment			
Increase the number of students earning college credentials of economic value; Increase the rate of transfer to Bachelor’s degree programs following CCC graduation; Drastically improve outcomes for students needing remediation; Strategically align community and special interest programming; Increase the quality and effectiveness of student services and support.			
Summary			
Upward Bound provides fundamental support to participants in their preparation for college entrance. The program provides opportunities for participants to succeed in their precollege performance and ultimately in their higher education pursuits. Upward Bound serves: high school students from low-income families; and high school students from families in which neither parent holds a bachelor's degree. The goal of Upward Bound is to increase the rate at which participants complete secondary education and enroll in and graduate from institutions of postsecondary education.			

With this new grant opportunity, Kennedy-King College seeks to increase secondary school persistence, rate of graduation, post-secondary enrollment and post-secondary completion. Approximately 100 Chicago Public School students would participate annually over the five year grant period, benefitting from increased exposure to academic programming. Funds received from this grant would be used to provide academic tutoring services, assistance in secondary and post-secondary course selection, preparation for college entrance exams, workshops for students and parents\guardians on navigating federal student financial aid and scholarships. This grant would also allow Kennedy-King College to provide participants with cultural exposure, career planning and mentoring.

Grant Name FY2017 Upward Bound Grant	Funder United States Department of Education (DOE)	Amount \$1,287,500	Performance Period 9/1/2017 – 08/31/2022
College/District Olive Harvey	Accountability Angelia Millender, President	Pd # 1702040	
Alignment			
Increase the number of students earning college credentials of economic value; Increase the rate of transfer to Bachelor’s degree programs following CCC graduation; Drastically improve outcomes for students needing remediation; Strategically align community and special interest programming; Increase the quality and effectiveness of student services and support.			
Summary			
Upward Bound provides fundamental support to participants in their preparation for college entrance. The program provides opportunities for participants to succeed in their precollege performance and ultimately in their higher education pursuits. Upward Bound serves: high school students from low-income families; and high school students from families in which neither parent holds a bachelor's degree. The goal of Upward Bound is to increase the rate at which participants complete secondary education and enroll in and graduate from institutions of postsecondary education.			
With this new grant opportunity, Olive Harvey College seeks to increase secondary school persistence, rate of graduation, post-secondary enrollment and post-secondary completion. Approximately 60 Chicago Public School students would participate annually over the five year grant period, benefitting from increased exposure to academic programming. Funds received from this grant would be used to provide academic tutoring services, assistance in secondary and post-secondary course selection, preparation for college entrance exams, workshops for students and parents\guardians on navigating federal student financial aid and scholarships. This grant would also allow Olive-Harvey College to provide participants with cultural exposure, career planning and mentoring.			

Grant Name FY2017 Upward Bound Grant	Funder United States Department of Education (DOE)	Amount \$1,287,500	Performance Period 9/1/2017 – 08/31/2022
College/District Wright	Accountability Ken Santiago, Dean of Student Services	Pd # 1702042	

Alignment

Increase the number of students earning college credentials of economic value; Increase the rate of transfer to Bachelor’s degree programs following CCC graduation; Drastically improve outcomes for students needing remediation; Strategically align community and special interest programming; Increase the quality and effectiveness of student services and support.

Summary

Upward Bound provides fundamental support to participants in their preparation for college entrance. The program provides opportunities for participants to succeed in their precollege performance and ultimately in their higher education pursuits. Upward Bound serves: high school students from low-income families; and high school students from families in which neither parent holds a bachelor's degree. The goal of Upward Bound is to increase the rate at which participants complete secondary education and enroll in and graduate from institutions of postsecondary education.

With this new grant opportunity, Wright College seeks to increase secondary school persistence, rate of graduation, post-secondary enrollment and post-secondary completion. Approximately 60 Chicago Public School students would participate annually over the five year grant period, benefitting from increased exposure to academic programming. Funds received from this grant would be used to provide academic tutoring services, assistance in secondary and post-secondary course selection, preparation for college entrance exams, workshops for students and parents\guardians on navigating federal student financial aid and scholarships. This grant would also allow Wright College to provide participants with cultural exposure, career planning and mentoring.

DONATIONS (Total Value - \$44,000)

North Central Laboratory (PD#1702051)

North Central Laboratory has donated an Attenuated Total Reflectance Transform Infrared Spectrometer (ATR FTIR) to the Physical Sciences Department at Kennedy-King College. The spectrometer will be used to enhance student learning during laboratory activities and has an estimated value of \$44,000.

**THE CHANCELLOR
RECOMMENDS**

that the Board of Trustees approves acceptance of any gifts, grants or other funding which may be forthcoming from these proposals and authorizes the Chancellor, the Executive Vice Chancellor and Senior Adviser, the Vice Chancellor for Institutional Advancement, or Associate Vice Chancellor of Development to serve as authorized representative or official representative of the District in the submission of proposals for funding and to execute all documents for the acceptance of this funding or these gifts and the operation of the funded projects; said acceptance to be subject to the terms and conditions set forth by the grantor, including specified subcontracts and purchases, and said funds not to be expended by the Board for any other purposes.

Respectfully submitted,

**Cheryl L. Hyman
Chancellor**
