ADOPTED – BOARD OF TRUSTEES
COMMUNITY COLLEGE DISTRICT NO. 508
DECEMBER 6, 2018

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508 COUNTY OF COOK AND STATE OF ILLINOIS

RESOURCE DEVELOPMENT

THE CHANCELLOR REPORTS that the following proposals, contracts, and other special funding instruments are under development or have been submitted by staff at this time.

Section I. Grant Proposals Funded and Received

NO NEW FUNDS RECEIVED

Section II. New Grant Proposals Submitted

(TOTAL VALUE \$439,250)

Grant Name Envisioning Justice	Funder Illinois Humanities	Amount \$250	Performance Period 11/1/2018 – 10/31/2019
College/District Truman	Accountability Julie Dockery, Associate Professor	Pd # 1812035	
Alignment Increase the number of students earning college credentials of economic value; Strategically align community and special interest programming with community need.			
Summary This a new grant for Truman College and will impact up to 500 Truman students. Funds received from this grant will allow Truman to host a public discussion to discuss the various barriers and struggles faced by post release population after incarceration.			

Grant Name Melinda Gray Ardia Environmental Foundation Student Research Grant	Funder The Melinda Gray Ardia Environmental Foundation (MGAEF)	Amount \$1,500	Performance Period 1/1/2019 – 12/31/2019
College/District Truman	Accountability Mahesh Grung, Associate Professor	Pd # 1812036	
Alignment Increase the number of students earning college credentials of economic value; Strategically align community and special interest programming with community need.			

Summary

The Melinda Gray Ardia Environmental Foundation Student Research Grant is a new grant for Truman College. The mission of the MGAEF program is to support educators in developing and implementing holistic environmental curricula that; Integrate field activities and classroom teaching, and incorporate basic ecological principles and problem solving. With this grant, Truman aims to promote student research in biology science and participation is authoring publishable results to present at local conferences. Up to 100 Truman students would be impacted, with funds being used to purchase test equipment for research projects.

Grant Name Wellness Center Furnishings	Funder Safelite Foundation	Amount \$20,000	Performance Period 1/1/2019 – 12/31/2019
College/District Daley	Accountability Erin Rubio, Associate Dean of Student Services	Pd # 1812037	

Alignment

Increase the number of students earning college credentials of economic value; Increase the rate of transfer to Bachelor’s degree programs following CCC graduation; Strategically align community and special interest programming with community need.

Summary

This is a new grant for Daley College and has the potential to impact up to 5,000 students who access the Daley College Wellness Center. If funded, this grant would allow Daley to provide new furnishings for the Wellness Center, ensuring adequate space for therapy and socialization.

Grant Name Humanities Connection Planning Grant	Funder National Endowment for the Humanities (NEH)	Amount \$35,000	Performance Period 5/1/2019 – 4/30/2020
College/District Truman	Accountability Julie Dockery, Associate Professor	Pd # 1812038	

Alignment

Increase the number of students earning college credentials of economic value; Strategically align community and special interest programming with community need.

Summary

The Humanities Connections program seeks to expand the role of the humanities in undergraduate education. The goal of this grant is to support innovative curricular approaches that foster productive partnerships among humanities faculty and their counterparts in the social and natural sciences, in order to encourage and develop new integrative learning opportunities for students. This grant would allow Truman to establish an interdisciplinary certificate pathway for Civic Engagement.

Grant Name The Illinois Louis Stokes Alliances for Minority Participation (LSAMP) STEM Pathway and Research Alliance	Funder Chicago State University funded by The National Science Foundation	Amount \$37,500	Performance Period 1/1/2019 – 1/1/2024
--	---	---------------------------	---

College/District Malcom X	Accountability Joshua Oladipo, Associate Professor	Pd # 1812039
Alignment		
Increase the number of students earning college credentials of economic value; Increase the rate of transfer to Bachelor's degree programs following CCC graduation; Strategically align community and special interest programming with community need.		
Summary		
The Illinois Louis Stokes Alliances for Minority Participation (LSAMP) STEM Pathway and Research Alliance is a new grant for Malcolm X College. This grants supports the recruitment and retention of minority undergraduate and graduate students studying science, technology, engineering and mathematics (STEM). LSAMP addresses STEM degree completion for traditionally underrepresented minorities who participate in the program -- primarily at the undergraduate and post-baccalaureate levels. Students at MXC would participate in a STEM learning as research assistants, and be provided access to the additional educational, professional, and social activities provided by the ILSAMP Alliance. Funds received from this grant would allow MXC to provide student stipends and defray program costs.		

Grant Name Waste to Energy: Biofuel	Funder Constellation Energy	Amount \$50,000	Performance Period 1/1/2019 – 12/31/2019
College/District Truman	Accountability Mahesh Gurung, Associate Professor	Pd # 1812040	
Alignment			
Increase the number of students earning college credentials of economic value; Increase the rate of transfer to Bachelor's degree programs following CCC graduation; Strategically align community and special interest programming with community need.			
Summary			
This is a new grant for Truman College and would be a collaborative grant between the Auto Tech, Biology, and Engineering departments. This grant would allow Truman to host a year of research activities, presentations and demonstrations related to Biodiesel Transportation. With the use of a diesel engine and various lab testing equipment, Truman students and faculty would work within the community to repurpose restaurant spent cooking oil into EPA grade biodiesel. Funds from this grant would cover the cost of at least one diesel engine, lab equipment and supplies.			

Grant Name General Operating Support	Funder Fred B. Snite Foundation	Amount \$50,000	Performance Period 1/1/2019- 12/31/2019
College/District District	Accountability Lydia Stazen, Vice Chancellor – OIA	Pd # 1812041	
Alignment			

Increase the number of students earning college credentials of economic value; Increase the rate of transfer to Bachelor’s degree programs following CCC graduation; Drastically improve outcomes for students requiring remediation; Strategically align community and special interest programming with community need.

Summary

This is a new grant opportunity for City Colleges of Chicago. Funds received from this grant would provide general operating support to CCC students.

Grant Name General Operating Support	Funder Julius N. Frankel Foundation	Amount \$50,000	Performance Period 1/1/2019- 12/31/2019
College/District District	Accountability Lydia Stazen, Vice Chancellor – OIA	Pd # 1812041	

Alignment

Increase the number of students earning college credentials of economic value; Increase the rate of transfer to Bachelor’s degree programs following CCC graduation; Drastically improve outcomes for students requiring remediation; Strategically align community and special interest programming with community need.

Summary

This is a new grant opportunity for City Colleges of Chicago. Funds received from this grant would provide general operating support to CCC students.

Grant Name After School Matters Summer Program 2019	Funder After School Matters	Amount \$70,000	Performance Period 6/1/2019 – 8/31/2019
College/District Malcom X	Accountability Joshua Oladipo, Associate Professor	Pd # 1812043	

Alignment

Increase the number of students earning college credentials of economic value; Strategically align community and special interest programming with community need.

Summary

After School Matters (ASM) is a continuation grant for MXC. ASM provides life-changing after-school and summer program opportunities for Chicago high school teens. The ASM program at MXC offers dual-enrollment credit for CPS students, where they will receive a STEM focused curricula in a college setting. The funds received from this grant would be utilized to cover the costs of instructors, class materials and summer internship opportunities for up to 70 participating students.

Grant Name Early Head Start Support Services Childcare Partnership Grant	Funder Chicago Department of Family and Support Service (DFSS)	Amount \$125,000	Performance Period 7/1/2018 – 6/30/2019
---	--	----------------------------	--

<p align="center">College/District Truman</p>	<p align="center">Accountability Sheila Benson, Director of Humans Services/CDA</p>	<p align="center">Pd # 1812044</p>
<p align="center">Alignment</p> <p>Increase the number of students earning college credentials of economic value; Strategically align community and special interest programming with community need.</p>		
<p align="center">Summary</p> <p>The Early Head Start Support Services Grant, a continuation grant for CCC, is an extension of the services provided through the Head Start Support Services grant offered by the Chicago Department of Family and Support Services (DFSS). CCC has partnered with DFSS for more than 25 years to provide credentialing services through Head Start (3-5yrs) and Early Head Start (Birth -3yrs) programs.</p> <p>With this grant, DFSS determines the number of Early Head Start students and staff who will be awarded scholarships to enroll in courses taught at the City Colleges of Chicago.</p> <p>The Human Services/CDA Department at Truman provide support services to DFSS to ensure that Early Head Start program staff and CCC students meet the employment and professional development requirements for their positions as defined in the Head Start Re-Authorization Act Performance Standards.</p>		

Section III. In-Kind Donations Received

NO NEW DONATIONS RECEIVED

THE CHANCELLOR RECOMMENDS that the Board of Trustees approves acceptance of any gifts, grants or other funding which may be forthcoming from these proposals and authorizes the Chancellor, the Executive Vice Chancellor and Senior Adviser, the Vice Chancellor for Institutional Advancement, or Associate Vice Chancellor of Development to serve as authorized representative or official representative of the District in the submission of proposals for funding and to execute all documents for the acceptance of this funding or these gifts and the operation of the funded projects; said acceptance to be subject to the terms and conditions set forth by the grantor, including specified subcontracts and purchases, and said funds not to be expended by the Board for any other purposes.

Respectfully submitted,

Juan Salgado
Chancellor
