The Chancellor recommends:

that the Board of Trustees authorizes the Chair to approve the below listed JOC projects at a total cost not to exceed $350,427.26 to be performed by the listed contractors as approved in Board Report #33312 which authorized the utilization of JOC as a construction delivery method to perform renovation services, deferred maintenance and repairs.

<td>2nd Floor Administrative Space Build Out</td>
<td>Provides space for Administrative offices and uses relocated to campuses in order to utilize space more efficiently</td>
<td>Renovated space to accommodate 74 desk positions with adequate conference and support space.</td>
<td>$350,427.26</td>
</tr>
</tbody>
</table>

Term:
The term of the JOC agreement with the contractors is for the period from October 5, 2017 and end on September 30, 2020, with two options to renew for two additional 24 month terms.

Benefit to City Colleges of Chicago:
The Office of Administrative and Procurement Services has reviewed this request for services and has determined that it would be in the best interest of the District to use JOC as the delivery method for completing the above listed projects to ensure that the projects are performed in a timely manner to either minimize scheduling disruptions for the colleges involved, meet a grant deadline, address a health or safety issue, or because the repair or replacement of the building system involved falls within one of the categories of JOC work as defined by the Office of Administrative Services.

Vendor Selection Criteria:
A public bid was prepared and twenty-one vendors were awarded contracts in Board Report #33312 adopted on October 5, 2017. The JOC program is based on percentages of profit and fees added to the most recent version of the Gordian Company Construction Pricing Index of Fixed Costs. All JOC Execution Procedures which were developed with the Gordian Group were followed including reviewing each contractor’s competitive pricing, capacity, experience, quality of work, and bid position. The process identified for selecting the contractor for each project was consistent for each of the projects described above and was prioritized from a more comprehensive District wide list.

MBE/WBE Compliance:
The Office of MBE/WBE Contract Compliance periodically reviews JOC Vendors' performance for compliance with the District goals that each Vendor committed to as part of its contract with CCC. The Vendors have reported their intention to use the following firms for the projects listed above towards their aggregate compliance goals:

### MBE/WBE Vendors:
