College/District	Accountability	Pd #	Entity Applied
Harold Washington	Asif Wilson, Associate Dean of Instruction	1905086	CCC
Alignment			
Increase the number of students earning college credentials of economic value; Increase the rate of transfer to Bachelor's degree programs following CCC graduation; Strategically align community and special interest programming with community need; Increase the quality and effectiveness of student services and support.			
Summary			
This is a new grant opportunity for Harold Washington, which aims to secure funds to create a teaching and learning context by which faculty, tutors, advisors, and administrators can better interrogate their deficit-based ideologies related to our students and their communities. Through the implementation and assessment of HWC's seminar course on Culturally Sustaining Pedagogies, HWC seeks to provide a supportive context for participants to (re) build asset-based, culturally sustaining, and caring pedagogical practices and interactions with students. Creating this foundational experience for our campus community will, in return, have a positive impact both in and outside the classroom.
