THE CHANCELLOR RECOMMENDS:

that the Board of Trustees authorizes the Chair to approve the below listed JOC projects for a total cost not to exceed \$29,220.95 performed by the listed contractors as approved in Board Report #33705 which authorized the utilization of JOC as a construction delivery method to perform improvements, renovation services, deferred maintenance and repairs as requested by the Colleges and District Office in a timely and cost-efficient manner.

Pace Systems	OH2106	Security Camera Replacement at Olive-Harvey.	Maintain campus safety.	Replace five (5) security cameras.	\$29,220.95

The term of the current JOC agreement with the contractors is for the period from April 9, 2019 through April 8, 2021, with no remaining options to renew.

BENEFIT TO CITY COLLEGES OF CHICAGO:

The Office of Administrative and Procurement Services has reviewed this request for services and has determined that it would be in the best interest of the District to use JOC as the delivery method for completing the above listed projects to ensure that the projects are performed in a timely manner to either minimize scheduling disruptions for the colleges involved, meet a grant deadline, address a health or safety issue, or because the repair or replacement of the building system involved falls within one of the categories of JOC work as defined by the Office of Administrative and Procurement Services.

VENDOR SELECTION CRITERIA:

A public bid was prepared and three vendors were awarded contracts in Board Report #32607 adopted on May 5, 2015. The JOC program is based on percentages of profit and fees added to the most recent version of the Gordian Company Construction Pricing Index of Fixed Costs. All JOC Execution Procedures which were developed with the Gordian Group were followed

including reviewing each contractor's competitive pricing, capacity, experience, quality of work, and bid position. The process identified for selecting the contractor for each project was consistent for each of the projects described above and was prioritized from a more comprehensive District wide list.

MBE/WBE COMPLIANCE:

The Office of Procurement Services reviews the performance of JOC Vendors for compliance with the District goals that they committed to as part of their contracts with CCC. The vendors have reported their intention to use the following firms for the above projects toward their aggregate compliance:

Vendor	MBE/WBE Vendor	Participation	Trade
Pace System Inc (OH2106)	Pace Systems (90.52%)	MBE – City of Chicago	Installation and Configuration
