THE CHANCELLOR RECOMMENDS:
that the Board of Trustees authorizes the Chair, upon final approval of the General Counsel of the legal form of such agreements, to exercise a renewal of the agreements with Acento Advertising for media buying and planning services for the period from April 1, 2022, through March 31, 2023, at a total cost not to exceed $3,500,000 for the term of the agreement.

VENDOR: Acento Advertising
11400 W. Olympic Blvd, #1200

USERS: District Wide

TERM:
The term of this purchase shall commence no sooner than April 1, 2022, and will end on March 31, 2023, with three (3) additional one-year options to renew.

SCOPE OF SERVICES:
In order to increase prospective student volumes and promote brand awareness through effective media advertising placements, the vendor will provide City Colleges of Chicago (CCC) with a variety of media buying and planning services.

Specifically, the vendor will develop strategic media placement campaigns that analyze, recommend, and purchase media space for all media types, including print, radio, TV, billboards, and digital (web, search, social media, email, and mobile). Acting as a liaison between CCC and media organizations, the vendor will leverage buying power with local media organizations and will include considerations for research demographics and potential audiences. Additionally, using qualitative and quantitative tools, the firm will provide detailed reporting and analytics on media placements to ensure value and a favorable return on investment for CCC.

BENEFIT TO CITY COLLEGES OF CHICAGO:
As a full-service integrated marketing communications agency, the vendor will enable CCC to more precisely and strategically target and engage its respective markets. Specifically, the vendor has more than 30 years of expertise in serving multiple languages and cultures. As a
community college system serving 75% Black or Latinx students, the vendor’s focus in this area will enhance CCC’s ability to serve the various demographics of prospective students. Further, the vendor’s experience and cross-cultural modeling approach will extend CCC’s advertising impact into new media channels and reduce CCC’s time to market by up to 30-45 days, allowing the District to react to changing marketing dynamics and take advantage of marketing opportunities.
