The multi-function walk-up devices will also provide secure print, scan to email, and fax capabilities.

VENDOR SELECTION CRITERIA:

A Request for Proposal (RFP) # SJ1607 was prepared and advertised through the Office of Procurement Services and nine vendors were contacted on October 7, 2016. Responses were received from four firms: 1) Xerox Corporation; 2) Canon Solutions America, Inc.; 3) Ricoh USA, Inc.; and 4) Des Plaines Office Equipment. Des Plaines Office Equipment was deemed non-responsive for failing to submit in accordance with the RFP requirements and M/WBE Plan.

The evaluation committee, which consisted of Truman College Reprographics Technician, Daley College Executive Director of Operations, Wright College Auxiliary Services Director, Olive Harvey College IT Director, OIT Support Services Director, Administrative Services Staff and Marketing and Communications reviewed the responses based on the evaluation criteria set forth in the RFP that included:

1. Price
2. Equipment Provided
3. Service Program
4. Implementation Plan
5. Program Management and Staffing Plan
6. Past Experience
7. Quality of References provided from the three (3) references
8. MBE/WBE Compliance Plan

Based on the scoring and pricing, the evaluation Staff recommends a split award to Ricoh USA, Inc. for the reprographics production equipment and related services and to Canon Solutions America, Inc. for the multi-function walk-up copying devices for the district. Both firms represent the lowest cost for the requisite equipment and services.

MBE/WBE COMPLIANCE:

Canon Solutions America

The Office of Contract Compliance has reviewed the proposed agreement and has determined Canon Solutions America has complied with the WBE goal of the Board Approved Participation Plan and recommends a waiver of the MBE goal based on their good faith efforts in accordance with the Plan.
