VENDOR: PNC Bank National Association
1 North Franklin
Chicago, IL 60606

USER: District Wide

TERM:

The term of the agreement shall commence on or about July 1, 2022 and continue through June 30, 2024.

SCOPE OF SERVICES:

PNC Bank National Association will provide a cost effective, flexible, user friendly and secure electronic payment card. Such service provides a virtual electronic vendor payment process with robust controls that reduces processing costs; as well as offer generous incentives and rebates based on CCC's vendor spend. This is at no cost to City Colleges of Chicago.

BENEFIT TO CITY COLLEGES OF CHICAGO:

This solution will enable the City Colleges of Chicago to pay vendors electronically, via a virtual credit card, eliminating the cost of printing, mailing and reconciling a check. This credit card payment process is highly secure and will help prevent and deter potential fraud since each payment has a unique single use account number that is authorized for the exact payment amount for 30 days and can only be used by the vendor receiving the payment.

VENDOR SELECTION CRITERIA:

The contract being utilized as part of the joint purchasing agreement has been advertised and

awarded in accordance with the procurement procedures of the Chicago Public Schools, a sister agency to City Colleges of Chicago. Chicago Public Schools issued Specification Number 18-350048 and was originally approved under Board Report 19-0626-PR11 and was renewed on May 25, 2022, for the term of July 1, 2022 through June 30, 2024. Pursuant to State law, contracts for goods and services procured from another government entity are exempt from the District's competitive bidding requirements.

MBE/WBE COMPLIANCE:

Procurement Services has reviewed the proposed purchase and recommends that the compliance plan from the lead agency for the joint purchasing agreement (Chicago Public Schools) be utilized which includes a complete waiver of the MBE and WBE goals (lack of subcontracting opportunities).
