BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508 COUNTY OF COOK AND STATE OF ILLINOIS

RESOURCE DEVELOPMENT

THE CHANCELLOR REPORTS

that the following proposals, contracts, and other special funding instruments are under development or have been submitted by staff at this time.

Section I. Grant Proposals Awarded

Total Value: \$778,854.20

Grant / Fund Name	Funder	Amount	Entity Received	Performance Period
Using Advanced Technology to Enhance Learning and Teaching in Science Labs at Two-Year Colleges	National Science Foundation	\$313,247.00	Harold Washington College	01/01/2024 - 12/31/2026
This is a subaward for Harold Washington College's Physical Science department, awarded by the Institute for Future Intelligence, Inc. It is anticipated that 850 students will be impacted by this project, which involves implementing thermal imaging STEM labs using advanced technology. The project will modernize the laboratory offerings, improve student learning, and provide faculty with professional development opportunities. If it is successful at Harold Washington, additional funding can be sought to expand to the other City Colleges.				
Certified Alcohol and other Drug Abuse Counselor (CADC) Workforce Expansion Program for Addiction Studies	The Illinois Certification Board & Illinois Department of Human Services/Division of Substance Abuse	\$190,000.00	Kennedy-King College	12/1/2023 - 6/28/2024
This program provides students an opportunity to become Certified Alcohol and Other Drug Abuse Counselors (CADC) upon successful completion of the program. It introduces students to a well-rounded and comprehensive curriculum in which a wide range of ideas, approaches, theories, and concepts will provide students with an understanding of chemical/alcohol dependency and the disorders that are accompanied by them. Students participate in a practicum course of 300 hours; there is an additional program option of possible 300 hours which waves the two-year Illinois Certification Board requirement. Students are supervised by a Certified Substance Abuse Professional.				
Child and Adult Care Food Program (CACFP)	Illinois State Board of Education	\$178,063.00	District Office	10/2/2023- 9/30/2024

The United States Department of Agriculture (USDA,) via the Illinois State Board of Education (ISBE), provides reimbursement through the Child and Adult Care Food Program (CACFP) for nonresidential childcare institutions to plan, purchase, prepare and serve nutritious meals to eligible children.

ESLTP (Early School Leaver Transition Program) Grant	Illinois Community College Board	\$60,000.00	Malcolm X College	07/01/2023 - 06/30/2024
--	----------------------------------	-------------	-------------------	-------------------------

At present, the Adult Education department provides free instructional service to all Illinois residents seeking to obtain their High School Equivalency or enhance their English Fluency. The ESLTP provides the Adult Education department with the opportunity to assist student beyond their educational goals by providing comprehensive services related to work-based learning training and career awareness & development instruction.

CPS College Compact Promising Practices Innovation Fund	Chicago Public Schools	\$37,544.20	Harry S Truman College	11/13/2023 - 08/30/2024
---	------------------------	-------------	------------------------	-------------------------

The Promising Practices Innovation Funds will allow Truman College to pilot various activities that could impact the retention and success of CPS alumni. The Alumni of CPS for Leadership and Engagement Network (CLEAN) Initiative allows Truman College to incorporate elements that are expressly designed to challenge and resist deficit framing in how we talk about and support students. The initiative acknowledges that our institution is responsible for ensuring CPS alumni have the most enriching college experience.

Section II. New Grant Proposals Submitted
Total Amount Requested - \$9,089,431.20

Grant Name Strengthening Community Colleges 4	Funder Department of Labor	Amount \$ 5,750,000.00	Performance Period 3/1/2024- 02/28/2028
College/District Kennedy-King College	Accountability Melissa P Damewood	Pd # 2312162	Entity Applied CCC

Summary

The CCC-Career Pathways Partnership (CCC-CPP) will expand healthcare programs to increase capacity for the Basic Nursing Assistant (BNA) program, grow our pipeline for training in AAS nursing programs, and enhance career exposure in other health science disciplines to ensure equitable access to education, training, and work-based learning opportunities. CCC-CCP will also introduce and implement electric vehicle (EV) career pathway programs (non-certificate, certificate, and degree-seeking) that bridge the gap between underserved job seekers and rapidly growing industry demands.
