Faculty Council Report
Thursday, December 6th, 2023

Remarks in lieu of the FC4 President's Address at CCC Board of Trustees Meeting:

At this time, Faculty Council President Viggie Alexandersson is too sick to report-out today. However, Professor Alexandersson would like the CCC Board of Trustees to know that FC4 and administration are in deliberative, care-centered conversation about the recent policy changes that the higher learning commission adopted in November. They relate to faculty qualifications, prison education program policies, and distance education. FC4 looks forward to honoring collaborative continuous improvement in those areas and more.

Respectfully submitted,

Viggie Alexander on behalf of the Faculty Council of City Colleges of Chicago
