RESOURCE DEVELOPMENT

THE CHANCELLOR REPORTS

that the following proposals, contracts, and other special funding instruments are under development or have been submitted by staff at this time.

Section I. Grant Proposals Funded and Received

Total Value \$4,040,000.00

| Grant / Fund Name | Funder | Amount | Entity Received | Performance Period |
|---|--|-------------|---------------------------|-----------------------|
| Project Success Food Pantry Award | Educational Credit Management Corporation (ECMC) | \$10,000.00 | Wilbur Wright College | 10/20/2022-9/30/2023 |
| This is a continuation of funding to support the food pantry operations at Wilbur Wright College. These funds will be used to purchase ready-to-eat food for students dealing with food insecurity. A portion of these funds will also be used to purchase equipment and supplies such as shelving units, food storage bins, and new refrigeration. | | | | |
| Higher Education Incentives Program | Illinois Space Grant Consortium, University of Illinois Urbana-Champaign | \$18,000.00 | Harold Washington College | 04/10/2023-04/09/2024 |
| This is a new funding opportunity to support initiatives related to space or aero-space disciplines. Harold Washington received the award of which \$18,000 is to be used for to support guided-inquiry laboratory projects and course-based undergraduate research into the general chemistry laboratories at Harold Washington College. | | | | |
| Higher Education Incentives Program | Illinois Space Grant Consortium, University of Illinois Urbana-Champaign | \$2,000.00 | Harry S Truman College | 04/10/2023-04/09/2024 |

This subaward will go to Harry S Truman College to incorporate robotic networked portable eVscopes in instruction methodologies in astronomy at Harry S Truman College. Students will be able to perform live observation and conduct astronomical research.

|---|---|-------------|-------------------|-----------------------|
| Institutional Research and Academic Career Development Awards | University of Illinois System (sub-award) | \$10,000.00 | Malcolm X College | 01/01/2023-12/31/2025 |
|---|---|-------------|-------------------|-----------------------|

The purpose of the Institutional Research and Academic Career Development Awards (IRACDA) is to develop a diverse group of highly trained scientists to address the nation's biomedical research needs. One IRACDA scholar will be paired with one faculty member at Malcolm X to gain formal training in how to teach undergraduate students. This will start as shadowing to build the mentor-mentee relationship.

| | | | | |
|---|---|----------------|-------------------|----------------------|
| Westside Learning Center Phase II & III | Department of Commerce and Economic Opportunity | \$4,000,000.00 | Malcolm X College | 3/30/2023-12/31/2025 |
|---|---|----------------|-------------------|----------------------|

This funding will support Phase II & III of the Westside Learning Center (WSLC) renovations, including building a Community Center for Teaching and Learning (CCTL), a 300-capacity room that will feature state of the art audio visual capabilities and will be divisible into two rooms, and adjustments to WSLC lobby, entrances and staff office spaces. The project will increase Malcolm X College's capacity to address the issues including low employment and education attainment in communities that have been historically under-resourced.
