**VENDOR SELECTION CRITERIA:**

A public bid was prepared and twenty-one vendors were awarded contracts in Board Report #33312 adopted on October 5, 2017. The JOC program is based on percentages of profit and fees added to the most recent version of the Gordian Company Construction Pricing Index of Fixed Costs. All JOC Execution Procedures which were developed with the Gordian Group were followed including reviewing each contractor's competitive pricing, capacity, experience, quality of work, and bid position. The process identified for selecting the contractor for each project was consistent for each of the projects described above and was prioritized from a more comprehensive District wide list.

**MBE/WBE COMPLIANCE:**

The Office of Procurement Services regularly reviews JOC Vendors' performance for compliance with the District goals that each Vendor committed to as part of its contract with CCC. Vendors are evaluated based upon aggregate participation across all projects.
