Updates/Unfinished Business: ☐ SGA Summer training

☞ For the month of August, all current and rising Student Government Association members should be in the end stages of summer training. In culmination of these summer trainings, student leaders should RSVP by Friday, August 2nd, to the final SGA/Leadership Training Day. This final training day is to be held at Truman College; this day will have important information on how to navigate the following school year.

Announcements/New Business: ☐

☐ Professional development

☞ Whilst still undergoing training, I am elated to say that I am ready for this upcoming school year. To my esteemed college presidents, I am looking forward to working closely with your respective Student Government Associations (SGA) from all 7 City Colleges. It is a honor and a great privilege to be sitting here alongside my fellow Board members. I look forward to working closely with you all and am grateful for this opportunity. Thank you all.
