RESOURCE DEVELOPMENT

THE CHANCELLOR REPORTS

that the following proposals, contracts, and other special funding instruments are under development or have been submitted by staff at this time.

Section I. Grant Proposals Awarded

Total Value: \$ 1,458,855.00

Grant / Fund Name	Funder	Amount	Entity Received	Performance Period
Education Workforce Center - Early Childhood Education Implementation Grant	McCormick Foundation	\$900,000.00	Harry S Truman College	4/24/2024 - 4/24/2026
<p>This award will help support the launch of the Education Workforce Center (EWC) Truman College. It will also serve as a “one-stop shop”, providing academic support, mentorship, community, professional development, and emotional support tailored to your career stage. The funding will be used for students, alumni, community members, and Early Childhood Education professional and Practitioners.</p>				
Access and Equity in Dual Credit Project	Illinois Community College Board	\$145,819.00	Wilbur Wright College	3/1/2024 - 6/30/2025
<p>This funding will allow Wright to implement an Access and Equity in Dual Credit project to provide dual credit students with enhanced resources, personalized academic support, and comprehensive guidance, ensuring equitable access to dual credit opportunities.</p>				
Access and Equity in Dual Credit Project	Illinois Community College Board	\$132,675.00	Harry S Truman College	3/1/2024 - 6/30/2025
<p>With this awarded grant funding will be used for Personnel to ensure the grant activities & objectives can be met. We plan to utilize the funding through assigning Special Assignments to Truman staff members and faculty to execute the grant objectives. In addition, a large portion of the requested funds will be geared towards providing our target partner high schools with essential classroom materials to effectively run and offer dual credit courses. Lastly, we will be hosting an Early College day and will require funds to be spent on supplies/materials for students and a bus service to aid in the transportation of students to/from our campus. We will also be providing food to students as the Early College day event is past 5 hours (approved ICCB expense).</p>				

Noncredit Workforce Training Initiative: Creating a Baseline and Book of Business for Wright CE Professional and Career Programs	Illinois Community College Board	\$99,400.00	Wilbur Wright College	3/1/2024 - 6/30/2025
<p>This awarded grant will help launch the new forklift training program at our main campus, targeted at retail (individual) enrollment and corporate enrollment from the adjacent Wright Business Park and other nearby employers in Spring of 2024. Wright has additional professional programs under consideration in warehousing and logistics space but does not have the capacity to implement those without business outreach and course development assistance.</p>				
Noncredit Workforce Training Initiative	Illinois Community College Board	\$99,246.00	Harold Washington College	4/1/2024 - 3/31/2025
<p>Harold Washington College values the Noncredit Workforce Training Initiative grant program because it allows its students the opportunity to expand into the surrounding industry. This funding award will be used for staffing for a project coordinator, instructor stipends, student tuition, and materials for courses.</p>				
Noncredit Workforce Training Initiative	Illinois Community College Board	\$56,715.00	Harry S Truman College	4/1/2024 - 3/31/2025
<p>This awarded grant will enhance affordability for underserved students, addressing a critical barrier to their academic success and socio-economic advancement. By implementing no-cost IT learning experiences the project aims to alleviate the financial burdens that often deter underserved students from accessing higher education IT opportunities. Through these efforts, the project endeavors to create a more equitable educational experience where affordability is less of a barrier but rather a gateway to IT learning for underserved students. The funding will be used for Personnel, Travel, Training & Education, Supplies, and Tuition assistance.</p>				
Redmond Construction: Women in Construction	Redmond Foundation	\$20,000.00	Kennedy-King College	10/2/2023 - 6/30/2024
<p>This awarded scholarship will ensure that CCC is promoting diversity and inclusion within the construction industry in Chicago. This funding will be used to support five Dawson Technical Institute students and 100 elementary-aged girls attending the Pink Hard Hard Symposium in May 2024.</p>				
Project Success Pantry Award	Education Management Corporation (EMMC)	\$5,000.00	Harold Washington College	10/14/2021 - 6/30/2024
<p>With this awarded grant opportunity it will help support existing food pantry efforts at Harold Washington. The funds will be used to enhance the Food Pantry operations through purchases of equipment/supplies such as freezer, paint, shelving, etc.</p>				

Section II. New Grant Proposals Submitted

Total Amount Requested - \$ 996,658.76

Grant Name Lowe's Foundation Gable	Funder Lowe's Foundation	Amount \$ 500,000.00	Performance Period 6/3/2024 - 5/23/2025
College/District Kennedy-King College	Accountability Melissa Damewood	Pd # 2405218	Entity Applied CCCF
Summary			
<p>The Construction and HVAC programming at Kennedy King College is expected to have a multifaceted impact on students, the community, and the workforce by providing comprehensive training in construction and HVAC disciplines, the program equips students with the skills, knowledge, and certifications necessary to enter and advance in these high-demand fields. Graduates can pursue various career pathways, including jobs as carpenters, electricians, HVAC technicians, construction managers, and more, leading to increased employment opportunities and higher earning potential. The program addresses workforce shortages in the construction and HVAC industries by producing a skilled and qualified workforce. Graduates are well-prepared to meet the evolving needs of employers, contribute to the growth of the local economy, and support community development through infrastructure projects and building maintenance.</p>

Grant Name AMGEN Biotech Experience	Funder AMGEN Foundation	Amount \$ 150,000.00	Performance Period 9/1/2024- 8/31/2025
College/District Truman College	Accountability Anan M. Alkarmi & Vijayalakshmi Natarajan	Pd # 2405220	Entity Applied CCC
Summary			
<p>As the Center of Excellence in Education and Scientific Innovation and Technology, this project is important to the college and district as it will provide professional development and learning to secondary teachers. As a Professional Development (PD) provider site, approved by Illinois State Board of Education, Truman College will recruit teachers for Amgen Biotech Experience, while also providing the credits needed to maintain their license. Secondary teachers receive professional development and training on Biotechnology. These trained teachers will provide these skills to their high school students. High school students will transition into college level courses and earn credit in STEM classes. This will prepare students for careers in biotechnology, nutrition science, and natural resources.</p>

Grant Name OER: Open Educational Resources Grants	Funder Office of the Illinois Secretary of State - Illinois State Library	Amount \$ 141,658.76	Performance Period 7/1/2024 - 6/30/2026
College/District Wilbur Wright College	Accountability Tineka Annice Scalzo	Pd # 2405221	Entity Applied CCC
Summary			
<p>This grant will allow new teaching materials to be more reflective of our pluralistic society and more relevant to Wright's student population. These better teaching materials can improve student learning. New materials will be free to students, thus making the cost of college attendance more affordable. Faculty will be responsible for overall project deliverables. Students taking Math 146 and LIT 150 will be impacted by the new teaching materials. Funds will be used for salaries, student stipends, and one external consultant.</p>

Grant Name Redmond Construction: Women in Construction	Funder Redmond Foundation	Amount \$ 20,000.00	Performance Period 10/2/2023 - 6/30/2024
College/District Kennedy-King College	Accountability Inesha Bernice Kelly	Pd # 2405222	Entity Applied CCCF
Summary			
<p>Enhancing women's involvement in the construction sector holds significant importance for several reasons. Primarily, it serves as a pivotal step in tackling gender inequality by ensuring equitable access to employment opportunities and avenues for career progression. Furthermore, diversifying the workforce introduces a wealth of perspectives, competencies, and backgrounds, fostering innovation and enhancing decision-making within the industry.</p> <p>This scholarship ensures CCC is promoting diversity and inclusion within the construction industry.</p>
