Faculty Council Report
Thursday, November 7th, 2024

Pre-address Remarks: Thank you to Senior Assistant Board Liaison Emma Mims and Chief Advisor Bonnie Phillips for their continued high-level operations that ensure the board reports are accessible to the CCC community and the city of Chicago that we feel grateful to serve.

FC4 President’s Address for CCC Board of Trustees Meeting:

Chairperson Nuques, Board of Trustees, Chancellor Salgado, Provost Potter, Student Trustee David Ramirez, officers of the district, faculty, staff, students, community members, and beyond, greetings:

FC4 continues to pivot to the following model for faculty council reports this academic year. The “Status” column indicates the progress of FC4 faculty or our administrative counterparts in the FC4 space in relation to a respective case number. Please note that an asterisk indicates a case number previously noted. For instance, some cases must be discussed both in a subcommittee space as well as the FC4 executive meeting space. For cases that belong elsewhere (e.g., the union), “Done” in these cases means that FC4 has done all that they can do before handing the case over. Also, “UC” indicates union chapter (i.e., a case passed to a college’s union chapter that does not apply to faculty district-wide), and “UHQ” indicates union headquarters (i.e., a case passed to the CCCTU headquarters in reference to faculty district-wide).
