

35409
ADOPTED – BOARD OF TRUSTEES
COMMUNITY COLLEGE DISTRICT NO. 508
FEBRUARY 6, 2025

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
COOK OF COUNTY AND STATE OF ILLINOIS

AUTOMATIVE TOOLS
SNAP-ON INDUSTRIAL
KENNEDY-KING COLLEGE

THE CHANCELLOR RECOMMENDS:

that the Board of Trustees authorizes the Chair, upon final approval of the General Counsel as to the legal form of such agreements, to authorize the execution of an agreement with Snap-On Industrial to purchase automotive tools for the period no sooner than Feb 6, 2025, through June 30, 2025, at a total cost not to exceed \$137,295.93.

VENDORS: Snap-on Industrial
3011 IL Rte. 176, Door 1
Crystal Lake, IL 60014

USER: Automotive Department – Kennedy-King College

TERM:

The term of the purchase shall commence no sooner than Feb 6, 2025, and ends on June 30, 2025.

SCOPE OF SERVICES:

Snap-on Industrial equipment tailored for electric vehicle (EV) maintenance and diagnostics, essential for training students in the latest automotive technologies. The scope of services includes supplying advanced, industry-grade tools such as EV-specific torque wrenches, multimeters, battery analyzers, and other precision tools critical for handling EV systems. Snap-on Industrial will also provide essential diagnostic equipment designed for safe and accurate assessment of high-voltage EV components, ensuring students gain hands-on experience with tools directly applicable to the electric vehicle industry.

NC3/Snap-on Certification Center Status is reflective of all items listed below. Please note pricing is based on the Sourcewell contract and includes delivery and offload with CCC-approved installation. Certification Kits with accessories and additional facility upgrades including up-to-date shop equipment are also included.

BENEFIT TO CITY COLLEGES OF CHICAGO:

The Kennedy-King College Automotive Department should proceed with Snap-on Tools due to the vendor’s exceptional reputation in the automotive industry and their commitment to providing high-quality, durable tools specifically designed for electric vehicle (EV) maintenance. Snap-on Tools are industry-standard, widely recognized for their precision and reliability, which gives students a realistic and valuable training experience with the same tools they will use in the workforce. Access to these tools will ensure students develop practical skills in diagnosing and servicing EVs, making them highly employable in a growing sector that demands specialized training and expertise.

Furthermore, Snap-on’s commitment to set up assistance, faculty training, and ongoing support adds lasting value, allowing the college to keep the tools well-maintained and aligned with evolving EV technology standards. This partnership not only enhances the learning environment but also supports faculty by ensuring they are fully equipped to teach with confidence and provide students with the best possible training. This investment aligns with the City Colleges of Chicago’s mission of providing quality, career-oriented education, and positions Kennedy-King College as a leader in EV automotive training, ultimately benefiting both students and the local community.

VENDOR SELECTION CRITERIA:

This is a Sourcewell Consortium purchase. The contract being utilized as a part of Sourcewell (formerly National Joint Powers Alliance) approved under Board Report #29816 and #32583. Sourcewell contract 013020-SNP gives access to the following types of goods and services:

- Hand Tools
- Shop & Garage equipment.
- Under-Car equipment
- Vehicle diagnostics
- Tool Storage
- Power Tools
- Vehicle Lifts
- Tool Control & Asset Management

MBE/WBE COMPLIANCE:

The Office of Procurement Services has reviewed the proposed compliance plan and determined the Vendor has complied with the Board Approved MBE/WBE Contract Participation Plan:

<u>Vendor</u>	<u>MBE or WBE</u>	<u>%</u>	<u>Participation</u>	<u>Certifying Agency</u>
