**Total Value: \$ 7,091,776.97**

Grant Name	Funder	Amount	College/ District	Performance Period
Strengthening Institutions Program (SIP FY26 DA)	U.S. Department of Education	\$2,748,668.00	Richard J. Daley	10/1/2025- 9/30/2030
<p>Daley College will lead a districtwide effort, <i>Project SAILS: (Student Access, Intention, Learning, and Success)</i>, to implement a comprehensive model of mandatory holistic advising (Goal 1) and strategic course scheduling (Goal 2) to build more structured academic pathways that expedite student decisions on programs of study, establish deeper connections between advisors and students, support annual planning for academic programs, and provide data to optimize scheduling of classes to meet student demand and degree requirements. Daley College and the CCC district community colleges seek to increase full-time enrollment headcounts by 24%, first-time full-time degree-seeking (FTFT) undergraduate retention rates by seven percentage points and increase FTFT undergraduate graduation rates by seven percentage points.</p> <p>An allocation of these funds will be distributed to District Office (SIP FY26 DO) PD# 3001535.</p>				
Transition and Postsecondary Programs for Students with Intellectual Disabilities Program (TPSID FY26 DO)	U.S. Department of Education	\$2,068,108.97	District Office	10/1/2025- 9/30/2030
<p>City Colleges of Chicago has received TPSID grant to expand the After 22 program. CCC will be partnering with Chicago Public Schools, Illinois DHS division of Rehabilitation Services, University of Illinois Chicago, Mayor's Office for People with Disabilities, and various employer partners in Chicago, to empower the residents aged 18-25 with intellectual disabilities (IDD), to achieve innovative credit-based education and programming a supportive, inclusive, and equitable environment for lifelong learning. The five-year initiative will serve 40 students annually and by program completion. Funds will be used to strengthen curriculum and instructional materials tailored to students with ID/DD, provide faculty and staff development in inclusive practices, increase access to assistive and educational technology, and support student stipends for work-based learning experiences. Funds will also support completion ceremony costs, development of family engagement activities, and outreach to expand employer partnerships.</p> <p>An allocation of these funds will be distributed to Richard J. Daley College (TPSID FY26 DA) PD# 3001536.</p>				

Schreiber Foundation	City Colleges of Chicago Foundation	\$1,500,000.00	District Office & Richard J. Daley	9/1/2025-8/31/2027
<p>The City Colleges of Chicago Foundation has been awarded funds from the Schreiber Foundation to support two initiatives:</p> <p><u>Arturo Velasquez Institute and Multilingual Academic/Workforce Programs (Schreiber Fdn AVI FY26 DA, PD# 3001321):</u></p> <p>City Colleges of Chicago (CCC) seeks philanthropic investments in the strategic vision for the Arturo Velasquez Institute (AVI), specifically in the Center for Multilingual Academic and Workforce Programs (CMAWP). The Center for Multilingual Academic and Workforce Programs at AVI responds to the documented economic and community needs and will serve as a hub for bilingual programming. CMAWP will be located where it leverages the cultural and linguistic assets of the community to address economic and educational needs. AVI's initiative will budget for Year 1 expenses at \$673,000 and Year 2 at \$327,000, totaling \$1,000,000 over two years.</p> <p><u>Basic Needs Insecurity (Schreiber Fdn BNI FY26 DO, PD# 3001501):</u></p> <p>City Colleges has an ambitious vision to eliminate student basic needs insecurity (BNI) as a critical step to help students persist through and complete a CCC credential or degree that will then enable students' economic mobility and BNI security post-college. This project adds the needed infrastructure to address students' BNI while increasing student retention and completion at CCC. This award distribution will go to the District to cover BNI program costs with \$250k for Year1 and \$250k for Year 2, totaling \$500,000 over two years.</p>				
Meridian X-perience Health Scholars Program (MXHPS FY26 MX)	Meridian Healthcare	\$ 450,000.00	Malcolm X	1/1/2026-12/31/2029
<p>This new grant opportunity is coming from Meridian Health Plan of Illinois, a government-based health plans (Medicare, Medicaid, and the Health Insurance Marketplace) administrator in three different states (Michigan, Illinois, and Ohio). They help those eligible for government-sponsored healthcare with living better and healthier lives by offering wrap around services for its members. Meridian is looking to support 150 Malcolm X College students per year, for three years, entering Healthcare through Basic Certificate, Advanced Certificates and Associate of Applied Science degrees. Funds will be used to support 1) academics around tuition gaps after all other options have been exhausted and 2)/Emergency/fees special needs to cover uniforms, background checks, drug screening and transportation. Funding support not to exceed \$1,500 per student. The goal is to eliminate financial barriers while supporting students through completion and workforce placement. 80% of participants will earn a credential and 70% of completers will obtain employment.</p>

Transfer Innovation Impact Model (TIIM Phase I FY25 DPL HW)	DePaul University	\$ 100,000.00	Harold Washington	7/1/2025- 6/30/2026
--	-------------------	---------------	-------------------	------------------------

The TIIM grant presents an opportunity to reactivate the partnership with Depaul University. DePaul's proposed cohort model, early engagement strategies, and wraparound services will aim to improve Harold Washington College students, persistence toward a four-year degree. The exploratory program planning year with DePaul will seek to smooth the transition for transfer students from Harold Washington (and any CCC college) to DePaul. We will expand and cross-institution use of the skills lab at DePaul and a peer mentorship program. These funds will allow to convene peer groups between the institutions of faculty, transfer staff, career development staff, and TRIO staff. We also fund students for listening sessions and focus group participation. Funds will be used to support faculty stipends, convenings, transportation, and student participation awards. Program efforts will focus on students who traditionally have had lower rates of community college completion, transfer, and degree completion at baccalaureate institutions including Black, Latine and low-income students in Chicago

Johnsons Controls International) (Johnsons Control JCI)	City Colleges of Chicago Foundation	\$ 100,000.00	Kennedy-King	8/1/2025- 6/30/2028
--	--	---------------	--------------	------------------------

Johnsons Controls has selected Kennedy-King College (KKC) to be part of the Community College Partnership Program Cohort 4. This grant will be a City Colleges of Chicago Foundations Pass through to KKC. The Johnson Controls International (JCI) grant will be instrumental in advancing equitable access to education and workforce development in the Heating, Ventilation, Air Conditioning, and Refrigeration (HVAC-R) field— particularly for students from economically disadvantaged backgrounds. This funding will directly address financial and structural barriers that prevent underserved students from accessing and completing high-quality, industry-aligned training. By reducing the cost of education and enhancing the learning environment, the grant will ensure that KKC graduates are fully prepared to meet the demands of a growing and evolving HVAC industry.
