ORIGINAL TERM:

In accordance with Board Report #35179, the original term of the JOC agreement with the contractors began on October 1, 2024, and shall end on September 30, 2029, with an option to renew for one (1) two-year period.

BENEFIT TO CITY COLLEGES OF CHICAGO:

The Office of Administrative and Procurement Services has reviewed this request for services and has determined that it would be in the best interest of the District to use JOC as the delivery method for completing the above listed projects to ensure that the projects are performed in a timely manner to either minimize scheduling disruptions for the colleges involved, meet a grant deadline, address a health or safety issue, or because the repair or replacement of the building system involved falls within one of the categories of JOC work as defined by the Office of Administrative Services.

VENDOR SELECTION CRITERIA:

A public RFP was prepared, and thirteen vendors were awarded contracts in Board Report #35179 adopted on July 11, 2024. The JOC program is based on percentages of profit and fees added to the most recent version of the Gordian Company Construction Pricing Index of Fixed Costs. All JOC Execution Procedures, which were developed with the Gordian Group, were followed including reviewing each contractor's competitive pricing, capacity, experience, quality of work, and bid position. The process identified for selecting the contractor for each project was consistent for each of the projects described above and was prioritized from a more comprehensive District wide list.

MBE/WBE COMPLIANCE:

The Office of Procurement Services reviews the performance of JOC vendors for compliance with the District goals that they committed to as part of their contracts with CCC. The vendors have reported their intention to use the following firms for the above projects toward their aggregate compliance goals:
