BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
COUNTY OF COOK AND STATE OF ILLINOIS

RESOLUTION
RATIFYING AND AUTHORIZING THE EXECUTION OF AN
INTERGOVERNMENTAL GRANT AGREEMENT BETWEEN THE
BOARD OF TRUSTEES AND THE ILLINOIS CRIMINAL JUSTICE INFORMATION AUTHORITY
THE OFFICE OF STUDENT EXPERIENCE-SURVIVOR ADVOCACY SERVICES

WHEREAS, City Colleges of Chicago ("CCC") has been providing victim services to survivors of gender-based violence through its Survivor Advocacy Services program since October 2024; and

WHEREAS, the City of Chicago's Department of Family and Support Services (DFSS) Division on Gender-Based Violence (DGBV) awarded CCC with three Counseling and Legal Advocacy grants to enhance survivor safety and well-being by supporting a network of service providers and strengthening coordination across public and community systems from January 1, 2026 – December 31, 2028.

WHEREAS, DFSS DGBV informed Survivor Advocacy Services that all grantees must enter anonymized, aggregate demographic data into InfoNet to support their ability to analyze aggregate data of all of the DGBV grantee programs.

WHEREAS, InfoNet is a product of the Illinois Criminal Justice Information Authority (ICJIA) that is a web-based data collection and reporting system used by victim service providers in Illinois. InfoNet serves to 1) Standardize data collection and reporting, thereby improving the ability to analyze information statewide and locally, 2) Provide a central repository for statewide victim service data, 3) Ease reporting for victim service providers that receive grants from multiple funding agencies, which often require different types of information, and 4) Facilitate continuous strategic planning for improving services and system response to victims.

WHEREAS, ICJIA requires an InfoNet User Agreement to be signed, activating CCC's policy to establish an intergovernmental agreement.

NOW THEREFORE BE IT RESOLVED, that the Board of Trustees of Community College District No. 508, County of Cook and State of Illinois, hereby authorizes the Chair, upon final approval of the General Counsel of the legal form of such agreement, to execute an intergovernmental agreement between the Board and ICJIA whereby ICJIA agrees to house the anonymous,

aggregate victim services data collected in relationship to the DFSS DGBV Counseling and Legal Advocacy Services grants.
