BOARD OF TRUSTEES COMMUNITY COLLEGE DISTRICT NO. 508
COUNTY OF COOK AND STATE OF ILLINOIS

RESOLUTION
TO AUTHORIZE A NEW INTERGOVERNMENTAL AGREEMENT WITH THE CHICAGO POLICE DEPARTMENT TO SUPPORT AND EXPAND THE PATHWAY TO POLICING PROGRAM AT OLIVE-HARVEY COLLEGE AND, ON A LIMITED PILOT BASIS, WRIGHT COLLEGE'S HUMBOLDT PARK CAMPUS

WHEREAS the Chicago Police Department ("CPD") and City Colleges of Chicago, through Olive-Harvey College ("OHC"), have established a partnership supporting the "One Year & Out" Pathway to Policing Program, an accelerated academic pathway leading to the Associate in Applied Science Degree in Criminal Justice.

WHEREAS the Pathway to Policing Program is designed to expand access to educational and career opportunities in policing and law enforcement, particularly for students and candidates from populations historically underrepresented in the profession.

WHEREAS OHC shall continue to serve as the lead institution responsible for the administration, coordination, and oversight of the Pathway to Policing Program and the obligations established under the new agreement.

WHEREAS the new agreement will provide for the limited expansion of the Pathway to Policing Program to Wright College's Humboldt Park Campus for a one-year pilot period, with OHC retaining primary responsibility for the administration and oversight of program activities conducted through the participating colleges; and the participating colleges will provide an accelerated 12-month academic program through which students may complete the 60-credit-hour Associate in Applied Science Degree in Criminal Justice: Public Police Services, subject to all applicable City Colleges of Chicago academic requirements and course and program learning outcomes.

WHEREAS the new agreement will incorporate the Chicago Police Department Cadet Program into the Pathway to Policing partnership and establish opportunities for eligible students participating in the Cadet Program to earn college credit as part of the academic pathway,

subject to applicable academic, curriculum, accreditation, and City Colleges of Chicago requirements.

WHEREAS CPD will provide up to $20,000 to support special-population marketing of the Pathway to Policing Program and will collaborate with OHC and the participating college on mutually approved public announcements, press releases, presentations, joint appearances, and promotional materials.

WHEREAS, CPD will provide waivers of the written Chicago Police Officer Exam and special accommodations for eligible graduates of the Program who seek to enter the Chicago Police Academy, provided that enrollment in or completion of the Program does not guarantee acceptance into the Chicago Police Academy or employment with CPD.

WHEREAS, the new agreement will establish a framework for CPD and OHC, acting on behalf of the participating colleges, to collaborate in the collection, exchange, and analysis of Program participant and graduate data for workforce development, Program evaluation, continuous improvement, and student-outcome reporting.

WHEREAS, subject to the Family Educational Rights and Privacy Act ("FERPA"), all other applicable federal, state, and local laws and regulations, institutional policies, and any required student consent or authorization, the parties may exchange legally permissible aggregate and individual-level information regarding recruitment participation, employment applications, hiring and screening progress, academy admission and completion, employment placement, employment retention, and other mutually agreed-upon workforce outcomes.

WHEREAS, CPD and OHC will designate appropriate representatives to coordinate data collection, reporting schedules, privacy protections, and compliance procedures, and all information exchanged will be used solely for purposes related to the partnership.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Trustees of Community College District No. 508, County of Cook and the State of Illinois, hereby authorizes the Chair, upon final approval of the General Counsel, to execute a new intergovernmental agreement with the Chicago Police Department to continue and expand the Pathway to Policing Program.
