BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
COUNTY OF COOK AND STATE OF ILLINOIS
NOVEMBER 2026
RESOURCE DEVELOPMENT REPORT

THE CHANCELLOR REPORTS
that the following proposals, contracts, and other special funding instruments are under development or have been submitted by staff at this time.

Section I. Grant Proposals Awarded
Total Value: $ 8,547,704.51

Grant Name	Funder	Amount	College/District	Performance Period
Title III, Part A: Strengthening Institutions Program (SIP FY27 WR)	U.S. Department of Education, as administered by U.S. Department of Labor	$4,017,574.51	Wilbur Wright	10/1/2026-9/30/2031

Wilbur Wright College was awarded the highly competitive Strengthening Institutions Program grant. This consortium project with the District Office, Modernizing Transfer Credit Evaluation and Articulation, will implement a technology-enabled transcript evaluation solution supported by dedicated staffing for evaluation and articulation management. The project will streamline transcript processing, strengthen rule-based articulation, and establish a sustainable framework for system maintenance, data validation, and continuous improvement. This will also focus on Career and Technical Education (CTE) credit to assist students who may enroll at CCC with prior college credit or Credit for Prior Learning (CPL) experience shorten their time in a CTE program to earn a credential of economic value faster.

The $631,996.67 award distributions for year one (10/1/2026-9/30/27) is as follows:

Wilbur Wright, PD# 3001777 (SIP FY27 WR): $200,723.16
District Office, PD# 3001838 (SIP FY27 DO): $431,272.51

Child Care Access Means Parents In School (CCAMPIS FY27 KK)	U.S. Department of Education, as administered by U.S. Department of Health and Human Services	$2,000,000.00	Kennedy-King	9/30/2026-9/29/2030

Kennedy-King College (KKC) in Chicago, IL, is expanding their on-campus childcare services to better support low-income parenting students pursuing postsecondary education. KKC offers a wide variety of associate degrees and certificates that prepare students for transfer to baccalaureate institutions or entry into the workforce. As Centers for Excellence, the Washburne Culinary & Hospitality Institute (WCHI), Adult Education, and Continuing Education programs, along with our satellite location, Dawson Technical Institute (DTI), collaborate with industry experts to

ensure students are workforce ready. As part of the City Colleges of Chicago (CCC) system, KKC is launching the KKC Village Creating Access, Resources, and Educational Support (KKC Village CARES) initiative. This project will enhance our existing childcare program by providing childcare partner subsidies for low-income KKC parenting students. In collaboration with Building Blocks Learning Academy, KKC Village CARES will expand the number of childcare slots available for parenting students to use. This initiative addresses the significant barrier that the lack of affordable and available childcare slots creates for parenting students striving to complete their college degrees.

Restore, Reinvest, Renew (R3) Reentry (R3 ICJIA FY27 OH)	Illinois Criminal Justice Information Authority	$970,856.00	Olive-Harvey	9/1/2026-8/31/2027

Olive-Harvey College's Restore, Reinvest, Renew (R3) project will strengthen workforce readiness and expand economic opportunity on Chicago's Southeast Side through high-impact education and training aligned with employer demand. The project will expand two key workforce pathways: Criminal Justice, through new forensic coursework, a forensic lab, and work-based learning opportunities; and a CDL B Adult Education Bridge, providing returning citizens and adult learners with preparation for the commercial driver's license permit exam and a direct employment pathway to the Chicago Transit Authority (CTA). Funding will support instructional staff and project coordination, student tuition assistance, paid work-based learning, and facility improvements. Together, these investments will create stronger career pathways, address barriers to employment, and build a more qualified workforce for regional employers.

PsiQuantum Philanthropic (PsiQuantum FY27 OH)	City Colleges of Chicago Foundation	$72,800.00	Olive-Harvey	7/21/2026-7/30/2027

PsiQuantum's philanthropic investment will support Olive-Harvey College in developing a workforce program connecting Supply Chain Management, Logistics, Data Analytics, Artificial Intelligence, and Quantum Technologies. The project will create credit and continuing education pathways, including short-term certificates and micro-credentials, to prepare students for emerging careers at the intersection of logistics, technology, and quantum applications. A dedicated Curriculum Specialist will develop curriculum, strengthen industry and transfer partnerships, coordinate workforce training, and pursue additional funding opportunities. Of the $80,000 award passed through the City Colleges of Chicago Foundation, $7,200 will be retained for indirect costs.

Timuel D Black Scholarship & Fellowship Program (TBSF FY27 DO)	City Colleges of Chicago Foundation	$68,544.00	District	10/1/2026-6/30/2027

City Colleges of Chicago Foundation is awarding a grant to City Colleges of Chicago for the Timuel D Black Scholarship & Fellowship Program. The funds will be used for general support of programmatic expenditures related to the civil rights trip in the Spring semester. Program expenses include vendor payment, contractual services, materials for workshops, events, and fellow stipends.

Supporting Universities and Colleges in Creating Equitable Student Success (SUCCESS TTA FY27 MX)	Illinois Board of Higher Education	$20,000.00	Malcolm X	4/30/2026-6/30/2027

Malcolm X College has been awarded $20,000 through the Illinois Community College Board's Supporting Universities and Colleges in Creating Equitable Student Success (SUCCESS) Targeted Technical Assistance program for Academic Year 2026–2027. The project will strengthen the college's basic-needs infrastructure by expanding resources that address food insecurity, housing transitions, technology access, and other barriers to student success. Grant funds will support essential student supplies, technology, food-pantry enhancements, and other basic-needs resources that promote equitable access, persistence, and academic achievement. The initiative primarily benefits students facing financial and basic-needs challenges and advances City Colleges of Chicago's commitment to removing barriers that impact educational attainment and workforce success.

Supporting Universities and Colleges in Creating Equitable Student Success (SUCCESS TTA FY27 OH)	Illinois Board of Higher Education	$20,000.00	Olive-Harvey	4/30/2026-6/30/2027

Olive-Harvey College has been selected by the Illinois Community College Board's Supporting Universities and Colleges in Creating Equitable Student Success (SUCCESS) program to receive $20,000 in Targeted Technical Assistance funding for Academic Year 2026–2027. The award will support implementation of the college's Equity Plan through dedicated coaching, consultation, and strategic guidance from an assigned Equity Champion. In addition to financial support, the college will participate in statewide learning and collaboration opportunities designed to advance equitable student outcomes. This initiative strengthens Olive-Harvey College's capacity to promote student success, advance equity-focused priorities, and drive continuous institutional improvement.

Supporting Universities and Colleges in Creating Equitable Student Success (SUCCESS TTA FY27 DA)	Illinois Board of Higher Education	$20,000.00	Richard J. Daley	4/30/2026-6/30/2027

Daley College has been awarded $20,000 through the Illinois Community College Board's Supporting Universities and Colleges in Creating Equitable Student Success (SUCCESS) program to advance priorities outlined in its Equity Plan. Grant funds will support initiatives that improve gateway course completion, strengthen transitions from adult education to credit-bearing programs, and foster a more inclusive campus environment. Activities may include financial assistance for students enrolled in college-level English and mathematics courses, emergency support for students facing short-term crises, and professional development focused on equity-centered practices. The initiative will help reduce barriers to student success, improve retention and completion outcomes, and advance City Colleges of Chicago's commitment to equity and belonging.

Supporting Universities and Colleges in Creating Equitable Student Success (SUCCESS TTA FY27 TR)	Illinois Board of Higher Education	$20,000.00	Harry S Truman	4/30/2026-6/30/2027

Truman College will use FY27 SUCCESS TTA support to advance implementation of its College Equity Plan and 2026–2030 Strategic Plan by addressing student-identified barriers related to navigation, access to resources, belonging, and relationship-based support. Guided by institutional data and findings from Truman's October 2026 Student Forum, the College will work with its Equity Champion to examine institutional barriers, strengthen connections among existing student supports, implement targeted improvements, and establish measures for continuous learning and improvement. The work will emphasize making existing supports more visible, accessible, understandable, and connected while strengthening students' relationships with faculty, staff, peers, and support services.

Supporting Universities and Colleges in Creating Equitable Student Success (SUCCESS TTA FY27 KK)	Illinois Board of Higher Education	$20,000.00	Kennedy-King	4/30/2026-6/30/2027

Kennedy-King College has been awarded funding to advance the priorities outlined in its Equity Plan by expanding holistic student support services that address barriers to persistence, retention, and completion. Grant funds will support initiatives such as food security resources, emergency financial assistance, transportation support, student engagement activities, and targeted outreach to connect students with available services. The project will primarily benefit students facing financial and personal barriers to academic success, particularly underserved populations disproportionately impacted by equity gaps. This initiative strengthens the college’s capacity to implement and evaluate equity-focused strategies while advancing City Colleges of Chicago’s commitment to improving student outcomes and closing achievement gaps.

Supporting Universities and Colleges in Creating Equitable Student Success (SUCCESS TTA FY27 HW)	Illinois Board of Higher Education	$20,000.00	Harold Washington	4/30/2026-6/30/2027

Harold Washington College (HWC) will use awarded funds from the Project Success Grant to advance the goals of the College’s Equity Plan. HWC will consider using the funds to provide tuition relief of reimbursement to students who participate in the Colleges First Year Experience Program and earn credit in a college level math course and college level English course within their first two semesters enrolled at HWC. HWC will work with the assigned Equity Champion (EC) consultant to further enhance this model and meet the college’s equity-focused student success efforts. This will help to encourage and sustain student momentum and help HWC to refine and scale up its First-Year Experience Model.

Supporting Universities and Colleges in Creating Equitable Student Success (SUCCESS TTA FY27 WR)	Illinois Board of Higher Education	$20,000.00	Wilbur Wright	4/30/2026-6/30/2027

Wilbur Wright College has been awarded $20,000 through the Illinois Community College Board's Supporting Universities and Colleges in Creating Equitable Student Success (SUCCESS) Targeted Technical Assistance program to advance equity-focused student success initiatives. In partnership with an Equity Champion, the college will implement strategies to improve retention, persistence, and completion among historically underserved student populations through data-informed interventions, enhanced advising, early-alert outreach, and strengthened basic-needs supports. Grant funds will support professional development, data analysis, student success outreach, and improvements to referral and support systems. The initiative advances City Colleges of Chicago's commitment to closing equity gaps, removing barriers to student success, and building sustainable institutional capacity to support equitable student outcomes.

Evolving Student Research: A Comparative Ethnography and Toolkit (Evolving Student Research FY27 TR)	Subaward Northern Illinois University From Institute of Museum and Library Science	$17,930.00	Harry S Truman	9/1/2026-8/31/2028

Northern Illinois University's National Leadership Grants for Libraries project is a collaboration with Harry S Truman College and Northeastern Illinois University to study how undergraduate and community college students conduct research. As a sub-awardee, Truman College will help adapt and deploy ethnographic research tools using interviews, photo journals, and mapping diaries to better understand student research behaviors, including the impact of artificial intelligence and post-COVID academic practices. Funding will support personnel, qualitative research software, and equipment. Findings will inform improvements to library services and produce tools that can help libraries better support student research.

Section IV. Information for the Board, Amendments, and Corrections

Note of context: The following grants had a decrease or increase in their total allocation from a previously reported sum.

Grant Name	Funder	PD#	Amount	College/District	Performance Period
Early Head Start FY26 DO	Department of Family and Support Services	3001467	$1,472,522.00	District Office	12/1/2025-11/30/2026

Early Head Start (EHS) is being presented on the November RDR to correct the funding amounts previously approved by the Board in July. CCC presented the July amounts for $834,500.00 based on the budget information provided by DFSS at that time. Following Board approval, DFSS issued corrected budget information and recently notified CCC that the previously approved amounts require revision and shorter performance period. The corrected allocation results in a reduction $128,155.00 for EHS. The November RDR is necessary to align CCC's Board authorization and internal grant budgets with the final corrected allocations provided by DFSS.

Workforce Development Expansion (McCormick EWC FY27 TR)	City Colleges of Chicago Foundation	3001589	$787,826.00	Harry S Truman	7/1/2026-6/30/2028

On the September 2026 (35957) Board Report, Harry S Truman College reported receiving a $765,000 grant passed through from the City Colleges of Chicago Foundation (CCCF) via source funder the Robert R. McCormick Foundation for its Education Workforce Center. CCCF has now increased Truman College's original award amount by $22,826, reflecting an updated award total of $787,826. This increase is reflective of a budget reallocation that applies more of the grant towards direct student support, leading CCCF to pass through additional funding originally set aside for indirect costs.

Clean Energy Jobs Act: South Hub (CEJA South FY25 OH CEJA South FY25 KK)	Chicago Cook Workforce Partnership	3001125 2310134	$200,000.00	Olive-Harvey Kennedy-King	7/1/2026-6/30/2027

The Chicago Cook Workforce Partnership (the Partnership) has opened the third and final budget period of a three-year subaward. For the current fiscal year, Olive-Harvey and Kennedy-King Colleges have been approved to spend up to $200,000 of awarded CEJA funds for training. Funded by the Illinois Department of Commerce and Economic Opportunity as part of the larger statewide Clean Energy Jobs Act, Workforce Hubs engage with potential employers, community-based organizations, educational institutions, and community-based and labor-based training providers to ensure program eligible individuals across the State have dedicated and sustained support to enter and build clean energy careers. The Partnership is lead for the South Hub and engages Olive-Harvey and Kennedy-King Colleges as the educational and training partner for jobs in the green economy sector.

Johnson Controls FY26 KK	City Colleges of Chicago Foundation	3001137	$189,524.00	Kennedy-King	8/1/2025-6/30/2028

On the October 2026 (35994) Board Report, Kennedy-King College (KKC) reported receiving a $89,044 grant increase from the City Colleges of Chicago Foundation (CCCF) via source funder Johnson Controls International (JCI) for its Community College Partnership Program. CCCF has now increased KKC’s award amount by an additional $480, for an updated award total to date of $189,524. This increase is reflective of CCCF receiving additional donations from JCI employees to be passed along for KKC’s partnership program.

Clean Energy Jobs Act: West Hub (CEJA West FY25 DA)	Chicago Cook Workforce Partnership	2310135	$147,500.00	Richard J. Daley	7/1/2026-6/30/2027

The Chicago Cook Workforce Partnership (the Partnership) has opened the third and final budget period of a three-year subaward. For the current fiscal year, Richard J. Daley College has been approved to spend up to $147,500 of awarded CEJA funds for training. Funded by the Illinois Department of Commerce and Economic Opportunity as part of the larger statewide Clean Energy Jobs Act, Workforce Hubs engage with potential employers, community-based organizations, educational institutions, and community-based and labor-based training providers to ensure program eligible individuals across the State have dedicated and sustained support to enter and build clean energy careers. The Partnership is lead for the West Hub and engages Richard J. Daley College as the educational and training partner for jobs in the green economy sector.
