ADOPTED – BOARD OF TRUSTEES
COMMUNITY COLLEGE DISTRICT NO. 508
NOVEMBER 5, 2026

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
COUNTY OF COOK AND STATE OF ILLINOIS

DTI BOOM TRUCK PURCHASE
72 HOUR LLC, DBA NATIONAL AUTO FLEET GROUP
KENNEDY KING COLLEGE
DEAN OF INSTRUCTION- SATELLITE

THE CHANCELLOR RECOMMENDS:
that the Board of Trustees authorizes the Chair, upon final approval of the General Counsel of the legal form of such agreement, to execute an agreement with 72 Hour LLC, dba National Auto Fleet Group for a new utility boom truck for the period from November 5, 2026, through November 4, 2028, at a total cost not to exceed $268,908.90.

VENDOR: 72 Hour LLC, dba National Auto Fleet Group
490 Auto Center Drive
Watsonville, CA 95076

USERS: Kennedy King College

TERM: The term of the purchase shall begin on November 5, 2026, and shall end on November 4, 2028.

SCOPE OF SERVICES:
Kennedy-King College will purchase one (1) new 2027 Ford F-600 4x4 utility boom truck, upfitted with an All Around MFG Dur-A-Lift DPM2-52DU Category C aerial lift, to support instruction in the Dawson Technical Institute (DTI) Overhead Electrical Line Worker Program. The truck will serve as training equipment for aerial line work, material handling, and safe boom operation, giving students hands-on experience with industry-standard equipment.

Key features include a 59-foot working height, 31'6" side reach, 400/550 lb. fiberglass bucket with 180° rotator, full hydraulic jib and winch, a 150-inch steel service body with hot stick storage and required safety equipment (outrigger interlock and motion alarm, grounding reel, strobes, and backup camera).

Warranty: The Dur-A-Lift aerial device includes the manufacturer's standard one (1) year limited warranty plus a one (1) year extended warranty ($3,200.00, included in the quoted total), for two (2) years of coverage on purchased parts and labor from the date the unit is placed in service. Major structural components (booms, articulation links, hydraulic cylinder structures, outrigger weldments, pedestals, subbases, and turntables) are warranted for as long as the College owns the unit. Wear items such as bearings, bushings, wear pads, and seals are excluded. The Ford chassis and service body are not covered by Dur-A-Lift; they carry their respective manufacturers' warranties.

BENEFIT TO CITY COLLEGES OF CHICAGO:
A new utility boom truck for the Dawson Technical Institute (DTI) Overhead Electrical Line Worker (OELW) Program will strengthen instruction, workforce development, and program operations across City Colleges of Chicago. Students will train on the same type of equipment used by electric utilities, electrical contractors, and other infrastructure employers, gaining direct experience in aerial operations, pole setting, overhead line construction and maintenance, equipment positioning, and job-site safety. This hands-on training complements classroom instruction and prepares graduates to enter the workforce with job-ready skills, supporting City Colleges' commitment to high-demand career pathways and its partnerships with regional employers.

VENDOR SELECTION CRITERIA:
Pursuant to Board Report #29816 and 32583, the Board approved the use of the Sourcewell cooperative purchasing agreements. Sourcewell, previously National Joint Powers Alliance, issued RFP #032824 for the procurement of Class 4-8 Chassis and Cabs with Related Equipment, Accessories, and Services, and awarded a contract to 72 Hour LLC, dba National Auto Fleet Group, who will be providing the vehicle to City Colleges of Chicago. Pursuant to State law, contracts for goods and services procured from another governmental entity are exempt from the District's competitive bidding requirements.

MBE/WBE COMPLIANCE:
The Office of Procurement Services has reviewed the proposed compliance plan and has determined that the vendor has complied with the Board Approved MBE/WBE Contract Participation Plan with a recommended 7% waiver of the WBE goal.

GENERAL CONDITIONS:
Inspector General – It shall be the duty of each party to the agreement to cooperate with the Inspector General for City Colleges of Chicago in any investigation conducted pursuant to the Inspector General's authority under Article 2, Section 2.7.4(b) of the Board Bylaws.

Ethics – It shall be the duty of each party to the agreement to comply with the applicable provisions of the Board's Ethics Policy adopted January 7, 1993, and as amended by the Board.

Contingent Liability – Pursuant to Section 7-14 of the Illinois Public Community College Act, all agreements authorized herein shall contain a clause that any expenditure beyond the current fiscal year is subject to appropriation in the subsequent fiscal year.

FINANCIAL
Total: $268,908.90
