

26030

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

FEB - 5 2004

COUNTY OF COOK
AND STATE OF ILLINOIS

Engineer Training Certifications

THE CHANCELLOR

REPORTS

That the CCC is currently involved with an energy upgrade project in an effort to maximize energy savings, and;

that the engineering staff at the colleges are directly responsible for maintaining the equipment responsible for the savings as well as developing new strategies for additional saving, and;

that the Midwest Energy Efficiency Alliance is offering Building Operator Certification classes that are held in Chicago over an eight month period, and;

that CCC had an opportunity to send fourteen engineers to class for certification at a cost of \$995 per engineer; and

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees authorize the Chairman to issue a purchase order for \$13,930 to the Midwest Energy Efficiency Alliance to pay for the certification classes .

FINANCIAL

\$13,930 - 1999 General Obligation Bond – Energy Upgrade Project
