WILBUR WRIGHT COLLEGE
CAD SKILLS BUILDING WORKSHOP

THE CHANCELLOR

REPORTS that on Saturday, January 10, 2004, a CAD Skills Building Workshop was held at Wilbur Wright College for Chicago Public Schools located on the northwest side that participates in the annual Newhouse Architectural Competition. The event partners were Wilbur Wright College, Harold Washington College and the Chicago Architectural Foundation. Chicago Architectural Foundation volunteers from various architectural offices provided a six-hour workshop to twenty [20] high school students on basic computer-aided drafting skills, and received an orientation to Wright College. Professor David Nummerger coordinated the workshop.

Respectfully Submitted,

Wayne D. Watson
