**THE CHANCELLOR**

**REPORTS** Two of Wright's "best and brightest" 2004 graduates, Dariusz Barwacz and Candida Carrillo, were named to the Phi Theta Kappa (PTK) All-Illinois Academic Team, sponsored by PTK, *USA Today* and the American Association of Community Colleges.

The All-State Academic Team is a division of the Academic All-USA Team for community technical and junior colleges. Students are recognized for their academic achievement and volunteer work for their college and community.

Dariusz, this year's class valedictorian, is a psychology major and has a grade point average of 3.96. When he emigrated from Poland, he enrolled in Wright's English as a Second Language Program and later "bridged" into the credit program. After graduation, he plans to enter the University of Illinois at Chicago.

Candida is majoring in business and has a grade point average of 3.45. She "bridged" to Wright after taking and passing a GED test. Having received three scholarships for further study, a total of \$6,500, she plans to transfer to Columbia College in fall. She also hopes to earn a master's degree in media management. Interested in music, theater and film, she hopes to have her own production company some day

Respectfully submitted,
