**BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois**

**PROFESSIONAL DEVELOPMENT COURSE
FOR
MORTUARY SCIENCE MAJORS
AT
MALCOLM X COLLEGE**

THE CHANCELLOR

REPORTS

that students enrolled in the Mortuary Science program at Malcolm X College will have the opportunity to enroll in the Morgue & Necropsy course for the Summer 2004 term; and

that the six-week course will be offered through the Division of Continuing Education for students who are enrolled in the Mortuary Science program at Malcolm X College; and

that the six-week Morgue & Necropsy course will begin on Wednesday, June 9, 2004, and students will learn the aspects of pathology from the evaluation of disease to toxicology reports, autopsies, and instrumentation; and

FURTHER

that the Morgue & Necropsy course will also include the study of government regulations applicable to the recovery of pathological discoveries.

Respectfully submitted,

Wayne D. Watson
Chancellor

May 13, 2004
