**Wright College's Licensed Practical Nursing Program
Achieves 100 Percent Pass Rate**

THE CHANCELLOR

REPORTS Wright College's Licensed Practical Nursing Program students have achieved a 100 percent pass rate for the first time since the program started. Thirty-four Wright students took the National Council Licensure Examination.

Wright's Practical Nursing Program is offered at the college's Humboldt Park Vocational Educational Center, 1645 N. California Ave.

In contrast to Wright's 100 percent pass rate, at year end, Dec. 31, 2003, statistics showed that nationally, of 44,080 candidates who took the examination 88 percent passed, and that of the 1,152 candidates in the State of Illinois who took the examination 92 percent passed.

Congratulations to Julie White, Dean of Allied Health Programs, Department Chair Janice Posner, and the full-time and part-time adjunct faculty who teach in the program.

Respectfully submitted,

Wayne D. Watson
Chancellor
